Grant Sets New Records In 1st Two Frosh Meets

By DAVE LEONARD

In the last 25 years Lion cross country coach Chick Werner has come up with some great runners, but this year he may have hit the top of the barrel in freshman Colin Grant.

Grant, who hails from Middlesex, England, has broken two records in his first two outings this year. Against Pitt he wiped out the freshman record formerly held by another Englishman, varsity standout Gerry Norman. Against Cornell Saturday he ran a 15:08.3 in a rainstorm to again set a new course mark.

"The rain didn't bother me at all since it produced running conditions similar to those in England," Colin said after the meet. Breaking records is not a new business for Grant. Last year he set a new world's record of 4:12.6 for the 1500-meter steeplechase in England's Junior Federated Division, but since he was one month over the maximum age of 19 the record was nullified.

"I feel that the steeplechase is my best event, but I ran all of the distance events in high school," Grant said. He produced high school times of 1:55.6 for the half-mile, 4:19 for the mile, and 9:24 for two miles.

Grant said he decided to come to Penn State because it was highly recommended to him by a number of people, and he had heard of State's reputation as an Eastern track power.

"I had a great desire to come to the U.S. for two reasons," he said. "First, I like to travel, I guess I'm kind of a rolling stone. Second, in order to develop my ability to the maximum I felt that I had to come to the States."

Colin has set no immediate standards for himself. "I just want to go out and run as fast as I can," he said.

If the Englishman continues running as he has in the past two meets, it looks like there will be more wholesale topping of records at Penn State.

Hornets Obtain Veteran Hershey Left Winger

PITTSBURGH (AP) — The Pittsburgh Hornets of the American Hockey League announced they purchased left winger Jack McIntyre yesterday from the Hershey Bears, also of the AHL.

The Hornets declined to make public the amount paid for McIntyre.

McIntyre, 31, formerly played for Boston, Chicago and Detroit in the National Hockey League. Joining Hershey last season, he scored 32 goals and 25 assists for a total of 57 points.

Trafficant Will Q-Back Panthers Against UCLA

PITTSBURGH (AP) — Football Coach John Michelosen of the University of Pittsburgh said yesterday that Jim Trafficant will start at offensive quarterback in the game against UCLA in Los Angeles on Saturday.

"He's our best passer, and I believe he has regained the confidence necessary to move the team," Michelosen said. Trafficant has been handicapped by injuries the early part of this season but appears to have recovered.

Frick Reveals Series Shares

NEW YORK (AP) — Each full World Series share for the New York Yankees was worth \$7,389.12, the lowest since 1952, and each Cincinnati share came to \$5,356.36, baseball Commissioner Ford Frick revealed yesterday.

Each Yankee winning cut was almost \$1,100 less than Pittsburgh's \$8,417.94 payoff last year because of the limited capacity of the Cincinnati park and the smaller weekly crowds at Yankee Stadium. The stadium was not sold out for the Wednesday and Thursday games. Last year the weekend games were played in New York.

The Yanks' checks will be the lowest for a winner since the \$5,982.65 shares for the winning Yanks in 1952 after a series with Brooklyn.

Manager Ralph Houk's club was generous to the extreme, voting 36 1/6 shares plus \$4,050 in cash awards. There were 33 full shares and seven fractional slices. Cincinnati handed out 33 shares—30 full shares and seven fractional shares.

Mets Purchase Crisley, Botz from Louisville

NEW YORK (AP) — The New York Mets of the National League purchased pitcher Bob Botz and outfielder Neil Crisley from Milwaukee yesterday. The purchase prices were not announced. Both spent the 1961 season with Louisville in the American Association.

Botz is a right-handed relief pitcher. He finished with a 9-7 record. Crisley, who started in the Boston Red Sox chain and played with various American League clubs, is a left-handed batter. He hit .294 with Louisville.

DA Finds No Evidence Of College Grid Fixes

NEW YORK (AP) — There is no evidence that college football games have been fixed, District Attorney Frank Hogan said yesterday.

"We've heard rumors and have been investigating them, but we aren't getting anywhere," Hogan told Milton Gross, sports columnist of the New York Post. Thirty-seven players from 22 colleges were named in the resplendent college basketball scandal. A similar scandal in 1951 involved 33 players from seven schools.
