

Warner Will Seek 101st Win Tomorrow Against Soccermen

By CRAIG YERKES

Navy soccer coach Glenn Warner has exactly 100 victories to his credit in 15 years of coaching at the Academy, but Penn State certainly hasn't made it easy for him to join the "100 Club."

Navy has managed to beat the Lions only four times during Warner's 15-year tenure.

The Middies, 3-1 so far this year, walloped usually tough Drexel Tech, 5-0, two weeks ago for Warner's 100th win. Prior to that, Navy defeated Haverford 5-0 and edged North Carolina 3-1.

So, like State football coach Rip Engle, Warner now has his 100 safely tucked away. He will be looking for win No. 101 tomorrow when Navy visits University Park to tangle with Ken Hosterman's booters.

Hosterman has enjoyed fine

success against Middle elevens of the past eight years. His State booters won four, lost two and tied one during this period. The 1953 game was cancelled at Annapolis when Warner refused to play in four inches of snow.

In State's prosperous years of 1954 and 1955, the Lions downed the Middies, 2-0 and 3-1 respectively. Navy won in 1956, 2-1, the 1957 encounter ended up a 2-2 stalemate, and Navy edged State in 1958, 3-2.

The soccer decline of the past two years failed to keep State from its dominance over the Middies. In 1959 the Lions counted Navy as one of their two victories, 4-2.

Last season the Lions had lost four of their first five games, but came back from Annapolis with a stunning 1-0 upset. Howie Farrer, this year's second high-scorer, booted the goal that made the difference in that tight defensive battle.

So it has been a spirited rival-

ry between State's Hosterman and Navy's Warner, which started way back in 1947 when Hosterman was an undergraduate and a member of Bill Jeffries' Penn State eleven.

The games of the past seven years all have been close, with neither team scoring more than four goals in a single contest. The average score has been State 2.14 and Navy 1.57.

This year Warner's booters started off blazing with three straight wins, but last Saturday they were toppled by powerful West Chester, which now has won six straight. Navy's 5-0 loss to the Rams compares with State's opening day 4-1 loss to the West Chester forces.

Karl Caesar, a sophomore from Oak Park, Ill., leads the Navy offense. He has tabbed 10 of Navy's 16 goals. Two other sophomores have been influential in Navy's scoring attack. Wing Jim Checkett and halfback Brian Young have each scored two goals.
