

Spartans, Ole Miss Clash With Rugged Opponents

By THE ASSOCIATED PRESS

Michigan State and Mississippi, the nation's two top-ranked college football teams, stake their reputations against dangerous opponents today in the most power-packed day of the 1961 season.

Michigan State, No. 1 in the current Associated Press poll, puts its 5-0 record against once-beaten Minnesota in the top game of the Big Ten slate. Second-ranked Mississippi tosses its 6-0 mark, and a 21-game unbeaten streak, at Louisiana State, the last team to beat the Rebels, in 1958.

In other important games, Ohio State, No. 5, and tied for the Big Ten lead with Michigan State and Minnesota, meets once-beaten Iowa while Colorado takes on Missouri. The latter meeting could decide the Big Eight title and a trip to the Orange Bowl.

Michigan State and Minnesota both have 3-0 conference records. The Gophers have come back strong after losing their non-conference opener to Missouri. Michigan State relies on a crunching ground game that is ranked fifth nationally. The Spartans' defense has allowed only 10 points, fewest among major schools.

Minnesota does not have the same offensive potential. However, the Gopher defense is rated third nationally, and is No. 10 against rushing. The game will

N. Allegheny Harriers Defend PIAA Crown

The defending Pennsylvania Interscholastic Athletic Association cross country champions, North Allegheny, will attempt a repeat performance of last year's win at 11 a.m. today on the University golf course. But at least one new champion will be crowned — the individual titleist.

Last year's individual title winner, John Stobie of Mt. Lebanon, has graduated and will not be able to defend his individual title which leaves the coveted spot open to at least four top flight runners who finished high in the standings last year.

Runnerup Bill Brown of North Allegheny, Ken McCloskey of Harriston, John Horn of Lancaster and John McCormick of State College are the leading contenders for the title which is run over a 2 1/2 mile course.

A total of 231 runners from 53 schools have been entered in the meet with 20 of the schools fielding full teams.

District seven holds a wide lead in the number of team titles and this year they have sent three strong contenders in North Allegheny, Butler, and New Castle. These teams plus Pottstown, Lancaster, and State College are expected to fight it out for team honors.

Linden Cops League Title In IM Action

By LARRY HAY

In IM football action on the golf course fields last night, Linden defeated Hickory, 7-6, to cop its fifth straight triumph. The win clinched the league title for Linden.

Frank Davis sparked the winners to victory, passing 20 yards to Norm Bailer and kicking the deciding extra point. Hickory scored when George Saba returned an intercepted pass 33 yards for a touchdown.

Omega Psi Phi continued undefeated as it eked out a 1-0 decision over Phi Kappa Sig in a game that was decided in overtime.

In other contests, Alpha Zeta led by Dick Kessler upset previously unbeaten Theta Delta Chi, 12-6. Kessler heaved a 62 yard TD pass to Ken Hickok and a 42 yarder to Errol Sowers. In a game between two unbeaten teams Delta Sigma Phi decisioned Phi Sigma Kappa 3-2 on Dick Cunningham's 30 yard field goal. Phi Sigma Kappa scored its two points on a safety.

Bill Doenecke led Triangle to a 16-6 victory over Phi Kappa Tau. Doenecke tossed scoring passes of 41 and 5 yards to Bill Gardner.

The remaining scores were: Theta Chi 7, KDR 2; Juniper 1, Cedar 0; Alpha Gamma Rho 1, Phi Ep 0, and Birch won by forfeit over Maple.

On Beaver Stadium the scores were: Clearfield 7, Cumberland 0; Washington 3, Lycoming 0; Mavericks 1, Lucky Lucys 0; Mifflin 1, Fayette 0; Rejects 7, Radars 0; Chester 12, Lebanon 7; Northumberland 1, Lancaster 0, and Northampton 14, York 0.

*Won on first downs.

Mash Maryland!

Black Confident of Coward Victory

Only a few end zone tickets remain for today's big Turtle Soup Bowl game between the Collegian Cowards and the Maryland Terps, two erstwhile journalism football powers.

The game, which will start at 11 a.m. at College Park, Md., is the top attraction of the day on the Terrapin campus. Some 35,000 seats have already been sold and officials said that scalpers have been at work

selling the few remaining "standing room only" tickets. Coward coach John (The Paw) Black has predicted a victory for his team. "If we can get rid of a prominent yellow streak that we displayed in practice against the Collegian Cuties, we will knock the Terp writers right into the Chesapeake Bay," Black said yesterday before boarding a plane for the trip to Maryland.

be shown in parts of the Midwest on regional ABC television.

LSU is in a position to thwart the Ole Miss' bid for at least a share of the Southeastern Conference title, which it is defending.

Mississippi holds an offensive and defensive edge against sixth-ranked LSU. But the Bengals (5-1) have the toughest defense Ole Miss has faced so far this year. Both teams are 3-0 in the SEC.

The Ohio State-Iowa game once was billed as a possible showdown for both the national and Big Ten titles. However, Iowa (No. 9) spoiled that last week when it was upset by Purdue. The Buckeyes pin their attack on a grind-it-out ground game, led by All-America fullback Bob Ferguson.

Colorado, ranked eighth with a 5-0 mark, and 4-0 in the Big Eight, pins its offensive hopes on the passing of Gale Weidner and the receiving of end Jerry Hillebrand.

In other games involving top teams, third-ranked Texas, the nation's offensive giant, battles Southern Methodist in the Southwest Conference while SEC leader Alabama (6-0) plays conference rival Mississippi State. In another SEC game, Georgia Tech (No. 7), coached by Bobby Dodd, meets Florida, which has a quarterback named Bobby Dodd Jr.

The Citadel can win its first Southern Conference crown by beating defending champion Virginia Military; Ivy League leader Princeton is at winless Brown while Dartmouth and Yale meet in a regionally televised game.

IBM WILL INTERVIEW NOVEMBER 7-8

Candidates for Bachelor's or Master's Degrees are invited to discuss opportunities in:

Engineering and Science

This is a unique opportunity to find out about the many career opportunities at IBM. The IBM representative can discuss with you typical jobs, various training programs, chances for advanced education, financial rewards, and company benefits—all important factors that affect your future.

SOME FACTS ABOUT IBM

An Unusual Growth Story: IBM has had one of the exceptional growth rates in industry. It has been a planned growth, based on ideas and products having an almost infinite application in our modern economy.

Diverse and Important Products: IBM develops, manufactures and markets a wide range of products in the data processing field. IBM computers and allied products play a vital role in the operations of business, industry, science, and government.

Across-the-Country Operations: Laboratory and manufacturing facilities are located in

Endicott, Kingston, Owego, Poughkeepsie, Vestal, Yorktown, N. Y.; Burlington, Vermont; Lexington, Ky.; San Jose, Calif.; Bethesda, Md.; and Rochester, Minn. Headquarters is located in New York City with sales and service offices in 180 major cities throughout the United States.

The Accent is on the Individual: No matter what type of work a person does at IBM, he is given all the responsibility he is able to handle, and all the support he needs to do his job. Advancement is by merit.

The areas in which IBM is engaged have an unlimited future. This is your opportunity to find out what that future has to offer you. All qualified applicants will be considered for employment without regard to race, creed, color or national origin.

Your placement officer can help you to learn more about IBM. He can give you literature describing the many career fields at IBM. He will arrange an appointment for you with the IBM representative. If you cannot attend an interview, write or call the manager of the nearest IBM office:

S. F. Davis, Branch Manager
IBM Corporation, Dept. 882
206 Main Street
Johnstown, Pa.
Phone: 7-5181

You naturally have a better chance to grow with a growth company.
