

Hornung Pronounced Fit For Active Duty

CHICAGO (AP) — Paul Hornung, star halfback of the Green Bay Packers and leading scorer in the National Football League, was found physically fit yesterday and ordered to Army duty.

Fifth Army headquarters announced that a series of tests Hornung took at Great Lakes Naval Training Station this week established that he was fit for active Army service.

He was ordered by the 14th U.S. Army Corps headquarters at Minneapolis to report for duty Nov. 14 at Ft. Riley, Kan. He will join the 896th Army Engineers Co.

Hornung is 26 and unmarried. He first was ordered to report for service Oct. 30. However, he was directed to undergo a series of physical examinations at the naval station. He entered the base hospital Monday and left Thursday.

On several occasions in the past, Hornung has been sidelined because of a pinched nerve in his neck.

Hornung and two other members of the Packers, linebacker Ray Nitschke and flanker back Boyd Dowler, were recalled as Army reservists.

Nitschke was ordered to report yesterday but Dowler was deferred for two weeks and, like Hornung, will be available for two more

Gross Holds Lead In Total Offense

NEW YORK (AP)—Jerry Gross, junior quarterback for the University of Detroit, figured in only 20 plays against Dayton last week and he did enough to hold his lead as the total-offense leader among major college football players.

Statistics from the NCAA Service Bureau show Gross has moved the ball 1,163 yards by passing and occasional running in five games—more than anyone else in major college football has done in six games in the last nine years.

Gross, who tests Army's defenses this week, has a 99-yard lead over Iowa State's Dave Hoppmann, who moved up to second place with 1,064 yards in six games. Third is Chon Gallegos of San Jose State, with 916 yards in seven games.

Weiser, Berzkals Lead Frash Booters to Win

Three goals by Bill Weiser and two by George Berzkals gave Penn State's freshman soccer team a 5-1 victory over the Lock Haven junior varsity squad yesterday on the soccer field next to the ice rink. It was the little Lions' second victory over Lock Haven.

Lock Haven opened the scoring with a first period goal by Alan Kline. The lead was short lived however as Berzkals tallied his first score to knot the game at one all.

Weiser gave State a commanding lead with three straight goals, two in the second and one in the third period. Berzkals added the last goal in the final quarter.

"We didn't run enough in the first half, but we made up for it in the second," Lion freshman coach, Walter Weiland, said following the game.

PhysEd Evaluation

The College of Physical Education and Athletics appointed committees for the self-evaluation of the college at the college faculty meeting recently.

The report is due by the end of the spring term. It is being made in compliance with an order of President Walker in preparation for the evaluation of the University by the Middle States Association of Colleges and Universities in 1965. Ernest M. McCoy, dean of the college, said.

McCoy also announced that the college is still looking for answers to several problems resulting from the adoption of the four-term system.

The major problem, he said, is that students participating in inter-university sports activities are forced to miss many classes.

PHILADELPHIA (AP)—A recommendation that Philadelphia build a stadium that would accommodate both the Phillies baseball team and the Eagles football team appeared likely yesterday. The final decision may hinge on a consulting firm's report.
