

Phi Delt's Gain IM Finals On Last-Minute TD Pass

By FRANK QUIGLEY

A seven-yard touchdown pass from Bruce Campbell to Terry Slagle in the last forty-five seconds of play snapped a scoreless tie and enabled Phi Delta Theta to score a 7-0 triumph over Delta Upsilon last night on the IM golf course fields.

The victory moved the Phi Delt's into tomorrow afternoon's fraternity championship game against Phi Gamma Delta, who reached the finals with a 6-0 victory over Delta Tau Delta.

In independent action, the Untouchables and the Sleepers moved into the championship game with victories over Nittany 38 and Berks, respectively.

The Phi Delta Theta-DU game was a battle of stiff pass defenses. DU managed to mount scoring threats in each half, but was unable to cross the goal line. With the score tied at 3-3 on first downs, Campbell rolled out to the right and found Slagle alone in the end zone. Bill Smith added the extra point.

In the other fraternity semi-finals game, a one-yard pass from John First to Chick Harte, midway through the second half, gave Phi Gamma Delta their win. The stiff Phi Gam

Bruce Campbell

pass defense stopped all scoring threats by Delta Tau Delta.

The passing of Bill Williams led the Untouchables into the independent finals. Williams tossed two touchdown passes as his team defeated Nittany 38, 13-7. A 70-yard pass and run play from Williams to Dick Clouser gave the Untouchables a late first-half score.

Gene Garber was on the receiving end of a 12-yard toss from Williams for the other Untouchables' score. Wayne Funk added one extra point.

A three-yard pass from Chris Robinson to Gene McManus and an extra point by Russ Johnson accounted for all the Nittany 38 scoring.

Joe Shady's pass to Bill Murphy on the final play of the game was good for a first down and gave the Sleepers a 3-2 first down victory over Berks in the other independent semi-finals game. Both teams were unsuccessful in field goal attempts after failing to score from close range in the first half.

Weiland Has 8-0 Record

LION FRESHMAN SOCCER COACH WALT WEILAND "suffers" through a victory.

While Penn State's varsity soccer team is fighting its way through a hit or miss season, the freshmen booters continue to win steadily, thanks to the expert guidance of coach Walt Weiland.

On the strength of a sparkling 5-0 season compiled last year and two wins over Lock Haven Teachers JV's this season, Weiland goes into today's game at Bucknell in search of his ninth straight victory, stretching back to the 1959 campaign.

At 30, the Lion coach has a considerable soccer background to draw on.

Weiland got his BA at Cortland State College in New York, where he played four years on the varsity. He then moved to the University of North Carolina where he served two years in a coaching capacity. In 1959 Weiland returned north to Penn State in search of his Masters degree. He is now in his third and final year of his coaching contract.

Weiland's future plans are tentative but chances are he won't be back at State next year.

"I'd like a teaching job, but I'd also like to do a little more coaching," Weiland said. "As of now I'm not sure what I'll be doing."

Last year's freshman team made Weiland's job easy. In winning all five games and scoring 27 goals to the opposition's one, the Lion Cubs gave varsity coach Ken Hosterman reason to believe State may be on the way up in the soccer world.

Weiland has definite ideas as to what constitutes a good ballplayer. He looks for players with experience, since he favors a control-type offense that calls for a player who thinks on his feet.

He also looks for players that possess better than average speed. "There are many mistakes made in a soccer game," Weiland says. "The player with speed can cover-up these mistakes."

Going into what may be Weiland's final game as freshmen coach, he and his team have made very few mistakes.

Seitchik Wins IM Net Title

Last year's independent IM singles tennis champ is this year's fraternity champ.

Steve Seitchik, a Zeta Beta Tau sophomore, easily defeated Alpha Chi Rho's Bill Stout for the title, 6-2, 6-3, Thursday on the Beaver Field courts.

The new champ won six matches before beating Stout for the championship.

A tennis player for nine years, Seitchik was a member of the freshman tennis team last spring and played on the varsity at Central High in Philadelphia.

Steve Seitchik

This spring he intends to try out for the Lion varsity.

"Stout had a good all-around game," Seitchik said yesterday, "and there were some tight spots where he started to catch me."

But Seitchik said that Dennis Richardson, also of Alpha Chi Rho, gave him the most trouble in his battle for the championship.

Richardson led in the third set, 5-1, but Seitchik finally won, 7-5.

Seitchik will play Andy Pollock, the independent champion, for the over-all IM title, but no date has been set as yet.

Former Lion Center Returns to Rec Hall

Steve Garban, a former Penn State center of the 1958 football team, has returned to the campus this season as an assistant to Business Manager Ed Czekaj.

He takes over the job formerly held by Dick McDowell, who left State for a public relations job in the Houston Colts baseball organization.

Prior to his Rec Hall appointment, Garban served as a sales representative in the steel industry.

Before coming to State, Garban was an outstanding center at Brownsville High School where he made the All-WPIAL team in 1954.

Although he played both center and tackle in high school, freshman coach Earl Bruce made Garban a center on the 1955 Lion frosh squad.

During the 1956 season, Garban won a letter despite a knee injury suffered in State's 7-6 upset of Ohio State.

Throughout the 1957 season, Garban played quite a bit, but never had the opportunity to start.

In fact, he never started a game until his senior year in 1958 when he was captain of the team. His senior year, the Lions posted a 6-3-1 log, losing to Nebraska, Syracuse, and Army, while tying West Virginia. Garban rates the 1958 Army squad as the finest team he played against.

Garban rates Pete Dawkins of Army and Don Clarke of Ohio State as the best backs

and Vince Tromuto of Holy Cross and John Guzik of Pitt as the outstanding linemen he faced during his playing days.

In his new job, Garban has the chance to maintain his close contact with Penn State athletes and coaches. His duties consist of helping Czekaj maintain the business functions of the athletic department and handling tickets for sporting events.

Garban is married and the father of a girl, Donna Lee, born this past October.

Pitt Seeks Victory Over Notre Dame

PITTSBURGH (AP)—Pitt will try to win its fourth straight football game over Notre Dame today, something that never has happened in the series that started in 1909.

The Panthers' victories the last three seasons equaled their longest winning streak against the Irish, compiled in 1932-34. Pitt has won only 10 of the 27 games with one contest ending in a tie. A near sellout crowd of about 54,000 should be on hand for the game. Notre Dame has lost three straight after winning its first three. The Panthers are 2-5.

The Irish have been bolstered by news that left guard Nick Buoniconti will be ready to play after being hampered by a sprained ankle.

Inconsistent Lion Booters Face Losing Season

By downing tough Temple in rather easy fashion, then turning around to lose a lacklustre game to a so-so Gettysburg eleven, Penn State's inconsistent booters continue to follow two definite patterns.

The Lions have neither won two games in a row nor lost two in succession. They have lost alternately their first, third, fifth, and seventh games, while winning the second, fourth, and sixth games on the schedule.

The second trend which State has been following so far is that of sputtering to a bad first half. In six of the Lion's first seven games, they have been behind at halftime. The only game in which State was ahead after two periods was against Temple.

Rens May Lose Star Over Eligibility Dispute

PITTSBURGH (AP) — Owner Lenny Litman of the Pittsburgh Rens said yesterday Rens' star Connie Hawkins will meet with American Basketball League officials tomorrow in a dispute over his eligibility.

Litman said Hawkins will go to Chicago with the team's counsel, David Litman, the owner's brother.

Litman said several coaches have questioned Hawkins' eligibility because of a rule which prohibits a player who has attended college from playing in the league until his college class graduates.
