

Plans Outlined For Bike Paths

The University definitely will install bicycle paths throughout campus in the spring, Stanley H. Campbell, director of University Services, announced yesterday.

"We are still in the process of planning for the paths," Campbell said. "We expect to complete the plans sometime in the near future, possibly in a month."

The plans are being drawn up by the engineers in the physical plant, he said.

Paths will be placed "where they are needed," Campbell said.

"We are presently studying which routes would be desirable," he said, "for both cyclists and pedestrians."

Also being studied is how the paths will be marked, he said, and whether special parking facilities will be provided for

bicycles. "Ultimately, we hope to have parking areas assigned to bike riders," he said.

This procedure would mean that a registration would have to be worked out as part of University policy, he added. Possibly an arrangement could be made with the borough of State College in carrying out the registration process, he said, since the borough now requires that a license be bought to retain a bicycle in town.

Campbell said he didn't think a University registration would require paying a fee.

It has been definitely decided, he said, that Pollock Road will not be closed to bicyclists, he said, although some sort of arrangement will have to be made for riding in this area.

"At the University of Illinois, lines on the street mark the part of the road on which bicyclists are allowed to ride," he said.

Ed Council Plans Fall Elections

All members of the Education Student Council will be elected during the fall term in the future under a constitutional amendment passed last week at a council meeting.

The amendment also states that the election of officers will take

Diem Resigns--

(Continued from page one) University Diem returned to General Electric first as cost estimator and later as methods engineer and traveling auditor.

In 1937 he joined Dictaphone Corporation as assistant controller and served as manager of purchases and manager of manufacturing before becoming vice president in charge of manufacturing in 1952.

Diem, who is an active figure in church and fraternal affairs, lives in Park Forest Village with his wife, the former Adelaide B. Wolf of Indiana and his two children John, a graduate student at the University, and Elizabeth Jane, a freshman at Salem College, Salem, W. Va.

place during the winter term.

In another constitutional revision, the council decided that its officers must have a 2.60 All-University average and members must have a 2.40 All-University average.

In other business, the council voted to purchase books on education for Pattee Library. The exact number of books to be donated will be determined after an evaluation of the budget, Barbara Johnson, president, said.

WRA Opens White Hall

White Hall will be open from 2 to 5 p.m. tomorrow. All of the facilities will be available for girls, the members of Women's Recreation Association decided yesterday.

Lipp Denies Status to NPC

By JOAN MEHAN
The National Panhellenic Conference has no status at the University nor any relationship with the local college Panhellenic, Dean of Women Dorothy J. Lipp told the Panhellenic council last night.

Speaking officially for the University, Dean Lipp said that the local Panhellenic Council is only bound by its constitution which is approved by the Senate Committee on Student Affairs.

"We have a right to deviate from NPC procedures as long as we conform to our constitution," she said.

"National Panhellenic Conference has no power and can only act as a pressure group and has been amazingly unsuccessful in these pressures especially when people in official position know

the status of NPC," she said. "All of our procedures should be constantly studied by the local council but we should not allow ourselves to be pressured into conforming with outside national organizations," Dean Lipp added.

Following Dean Lipp's remarks, Janice Wanner, Panhellenic president, appointed a committee to study possible judicial system changes.

The question of whether local Panhellenic councils are required to follow NPC agreements was brought up by Mrs. Aruthr K.

Anderson, advisor of Alpha Omicron Pi sorority, when AOPi and Kappa Delta sorority were penalized for rush code infractions. Mrs. Anderson said that the local Panhellenic was bound by NPC policy governing judicial procedure. This has been verified by Mrs. Joseph Grigsby, former NPC chairman.

After discussing the rush code, Janet Carlisle, panhellenic rush chairman, said that planned entertainment will mean three or more rushees being entertained by three or more sisters.

Grossinger's
2nd Annual
College Jazz Weekend
Fri.-Sun., Dec. 15-17

Special College Rate **\$35** for the entire weekend

Besides the intercollegiate jazz championship, you'll enjoy six lavish meals; Down to Yawn entertainment; jazz jam sessions; a midnight swim party; Broadway shows; gala ice show; dancing to Latin, American, and jazz tempos; tobogganing; ice skating; skiing.
