Green Reportedly Will Give Up One Phila. Congressional Seat To Help Ease Reapportionment

HARRISBURG (AP) — Democratic policy makers indicated yesterday they have overcome one major block to agreement with Republicans on congressional reapportionment, but the parties are far apart on a final plan.

Gov. Lawrence told newsmen that U.S. Rep. William J. Green, Philadelphia Democratic chairman, is prepared to give up one of the city's six congressional seats. All are Democratic controlled.

Republicans have said they would consider no reapportionment plan unless it included a cut in Philadelphia's congressional delegation. The state must lose three of its 30 Congress seats because of population changes recorded in the 1960 census.

Following a 15-minute meeting between the governor, GOP State Chairman George I. Bloom and Democratic State Chairman Otis B. Morse, these other developments were reported:

• A special legislative committee will meet tomorrow to seek an agreement on a reapportionment bill to present to a special session of the General Assembly. The governor said he would not call a special session until there is a firm agreement. There is "no evidence" of such an agreement, Lawrence said.

Trustees Approve New VP's, Ed Dean

By ROCHELLE MICHAELS

Appointments of a vice president for business administration and vice president for resident instruction were among five approved by the University Board of Trustees at its semi-annual meeting Saturday. All are effective immediately.

Stanley H. Campbell, director of housing and food services, was named to succeed resigning Albert E. Diem in the business post, and Dr. John R. Rackley, dean of the College of Education, will become vice president of resident instruction.

UNDER THE NEW TITLE Rackley will take over some duties of Lawrence E. Dennis, who resigned as vice president for academic affairs last year to become associate director of the Peace Corps in Washington, D.C.

Other new appointments are Dr. Abram W. VanderMeer, associate dean of the College of Education, as dean of that college; Dr. Dagobert de Levie as assistant to the dean of the College of the Liberal Arts in charge of Study Abroad program, and Dr. Russell E. Larson as associate dean of the College of Agriculture and director of agricultural and home economics extension services.

Campbell, a member of the University administrative staff since 1932, has been working in Diem's office for three years. Before accepting the food service post last March, he served as director of special business projects, assistant director of Continuing Education and director of the division of Community Colleges.

A NATIVE OF YORK. Campbell received his bachelor of arts degree in business administration from the University in 1932.

Rackley's appointment involves

a change in the official duties of his office. Howard A. Cutler has been assuming Dennis' duties for the past year under the title of assistant to the president for academic affairs. He will continue in that capacity and Rackley will serve as vice president for resident instruction.

PRIOR TO RACKLEY'S appointment to the University faculty, he served as acting commissioner of the United States Office of Education. He holds both a bachelor of arts and master of arts degree in history from the University of Oklahoma, and a doctor of philosophy degree in history from George Peabody College, Nashville, Tenn.

Rackley has been dean of the Teachers College of Connecticut and of the College of Education at Oklahoma. He is also president of the American Association of Col-

leges for Teacher Education and a member of the National Committee for Education in Family Finance.

VanderMeer will replace Rackley as dean of the College of Education. He has been associate dean of that college since 1957 and a member of the faculty for 15 years.

A SPECIALIST IN the field of curricula and materials of instruction, VanderMeer has been directing research studies on the effectiveness of motion pictures and film strips in teaching. His research also includes the effectiveness of "teaching machines."

VanderMeer holds a bachelor of arts degree from the Eastern Washington College of Education in Cheney, Wash., and both a masters and doctor of philosophy degree. (Continued on page twelve)

Final Exam Period Seen As Possibility in Future

The possibility of setting aside a period for final exams may be considered by two University Senate committees in the next few months.

The committee on educational policy plans to discuss the question, however, it has not been officially assigned to the committee. John J. Schanz, chairman, said yesterday.

"THE PRESIDENT HAS mentioned the idea several times and I am quite sure he feels something should be done about it," Schanz said.

The Senate Committee on Calendar and Class Schedule will also be considering the question, Harold J. Read, committee chairman, said. "We have done nothing about it yet, but it has been on our minds for a long time," he added.

"A SENATE COMMITTEE is reviewing the four-term system in general," Robert G. Bernreuter, special assistant to the president and also secretary of the University Senate, said when questioned about the possibility of a final exam period. Study will be necessary before a decision can be made concerning an exam period, he added.

BRAUN

UCA Associate Director Braun Resigns Post for Peace Corps

The Rev. Theodore A. Braun has resigned as associate director of the University Christian Association to join the Peace Corps Office of the National Council of Churches with headquarters in New York.

The Rev. Braun will act as associate director of the Peace Corps Office established by the National Council of Churches to distribute information on America's Protestant churches.

THE REV. BRAUN started in

his new position Jan. 1. He will help coordinate and relate information between the Peace Corps and the churches, interpret the Corps to church and campus groups and help fulfill the church's interest in the training and volunteers.

He has served as associate director of UCA since 1958. Formerly, he was pastor of the United Church of Christ in Henderson, Ky. and held assistant pastorates in Indianapolis and Chicago.

The Rev. Braun served as leader for the Operation-Crossroads (Continued on page twelve)

SGA Officers To Ask Confidence Vote

By SANDY YAGGI

The officers of the Student Government Association will ask for a vote of confidence in approaching student government elections (Jan. 25-27).

SGA President Dennis Foianini met last night with Vice President Jay Huffman and Secretary-Treasurer Mary Swed and formally decided to hold the referendum.

FOIANINI SAID THAT they decided to ask the student voters whether the present administration should finish out its term of office which would last until April.

"We are interested in knowing the students' reaction," Foianini said.

"I think that it is most crucial that we remain in office at this time," Foianini said, "in order to continue the fight we have started."

FOIANINI ALSO announced that he has scheduled an SGA Assembly meeting for 7:30 tonight in the SGA office.

The meeting has been called for the discussion of a single subject, Foianini said, that being the clause of new constitution which was rejected by the Committee on Student Affairs and the Sub-committee on Organizational Control when the constitution was presented for approval last fall.

"I have fought long enough alone and done as much as I can alone and the result of the meeting with the Assembly will be some sort of a compromise, I presume," Foianini said.

"I HAVE BECOME disillusioned with the administration because they have said in effect that they have not allowed this present constitution to become effective in order to protect a certain half dozen organizations on campus."

The clause was not meant to convey that the organizations effected would be banned, Foianini said, but it simply opened a door so that legal action could be taken.

Political parties will literally be fighting for their lives during the formal election campaign period which begins Monday since a referendum will be voted on deciding if political parties will be permitted on campus for future elections.

The elections will be held Jan. 25 through 27.

UNIVERSITY PARTY Chairman Eliot Newman said last night that University party definitely was planning to stage a strong campaign for the retention of parties on this campus. He said that he was not at liberty to disclose the details of the campaign (Continued on page twelve)

A general meeting for all members of The Daily Collegian editorial staff will be held at 5:15 p.m. today at the Collegian office. All members must attend.

State Honors Carpenter For Research in TV

Dr. C. R. Carpenter, director of the Division of Academic Research and Services, has been cited by the Commonwealth for his outstanding leadership and research in educational television.

He was one of several educational leaders who were honored by the Department of Public Instruction for their contributions to Pennsylvania education in 1961.

Koser Outlines Procedure, Deadlines for Schedule Revision

Robert M. Koser, associate registrar, yesterday outlined the procedure for filing revised schedules for the spring term.

Students may file revised schedules for the spring term at the registration section in 4 Willard by the following deadlines:

SENIORS AND Graduate students, Jan. 15; juniors, Jan. 18; sophomores, Jan. 22, and freshmen, Jan. 25.

In order to file revised schedule for the spring term a student must first report to his advisor and obtain an official number two

card, Koser said.

HE MUST LIST HIS revised schedule on the number two card and obtain his advisor's signature. The student must then print the word "revised" and the date in the lower right corner of the card and turn the card in at the registration section in 4 Willard, he said.
