

# \$4350 Collected for '62 Class Gift 20 Pass Dance Preliminaries Of Figure Skating Skills Tests

By NANCY THARP

About \$4,350 has been collected by the class of 1962 for its class gift fund, David Grubbs, senior class president, said yesterday.

The money has been collected entirely from members of the class, he said.

This is a low amount for the class gift fund compared to the amounts collected in recent years, Grubbs said. This is partly because the classes of 1960 and 1961 received contributions to their class gift fund from the University Board of Trustees, he explained.

HOWEVER, he said, the University does not have the resources to contribute money to the class of 1962 and future classes for their fund. The class of 1960 received \$2 and the class of 1961 \$1 from the University for each \$1 they

collected from class members, Grubbs added.

GRUBBS ALSO SAID that the senior class advisory board was no longer considering a class gift proposal which would donate money to WDFM, student-operated FM radio station. A proposal had been considered to finance experimental research which would enable WDFM to broadcast over AM as well as FM frequencies.

This project was dropped as a class gift proposal since "the class doesn't have the financial standing to go into something in an experimental status," Grubbs explained.

USG is now considering loaning money to residence area councils for construction of transformers which would permit WDFM to be heard on AM radios, Dennis Foinini, student body president said Jan. 26.

TWO OTHER CLASS gift proposals are still being considered by the advisory board, Grubbs said. One proposal is to donate the money to Pattee Library, possibly for the purchase of a collection of books. The other proposal is to set-up a revolving student loan fund for the library in the name of the class.

The advisory board is trying to decide on a third class gift proposal, Grubbs said. If a third proposal cannot be decided upon, the class will choose between the two proposals already being considered, he added.

Seniors will vote on the class gift proposals at spring term registration, Grubbs said. If changes in registration procedure make voting at this time impossible, the class gift will be voted on at spring term elections, he added.

Members of the Figure Skating Club participated in a series of dance tests Sunday morning at the University skating rink. The tests were given by the United States Figure Skating Association.

Twenty persons passed the three dances in the preliminary test, which is the initial test in a standard six-test series sponsored by the association. The dances in this set are "Dutch Waltz," "Swing Dance," and "Canasta Tango."

One person passed the Bronze Test; second in the series of tests. The dances in this set are: "Fiesta Tango," "Willow Waltz," and "Ten-Fox."

A CANDIDATE who has passed the Bronze Test is eligible for the Pre-Silver Test. Successive

tests include the Silver, Pre-Gold and Gold Tests.

Ten University students were among those who passed one or more of the dances in the Preliminary set. They are graduate students: Richard Seabold and Patricia Smith; seniors: Charles Hoff, Fayenola Zalmon and Barbara Vincent; juniors: Beverly Bednar and Henry Hartman; sophomores: Elizabeth Thompson and David Ward; and one freshman, Karin Lukk.

## Panhel Names Candidates For 4 Council Positions

Candidates for the four elected positions on the Panhellenic Council were announced last night by Pamela Chadwick, Panhellenic elections chairman.

Candidates for vice president are: Patricia Pfordt, Delta Gamma; Jean Kennedy, Delta Gamma; and Patti Sutter, Delta Gamma; treasurer: Donna Sutin, Alpha Phi; Sandra Pohlman, Zeta Tau Alpha; and Carol Eckhardt, Alpha Omicron Pi.

Running for corresponding secretary are: Marilyn Aberbach, Phi Sigma Sigma; Judy Carter, Alpha Epsilon Phi; and Bonnie Mitchell, Kappa Alpha Theta; recording secretary: Janice Brown, Gamma Phi Beta; Eloise Aurand, Alpha Gamma Delta; and Joan Cowan, Theta Phi Alpha.

These candidates were selected Tuesday by a screening committee, Miss Chadwick said. Elections will be Feb. 15.

TWO APPOINTED positions, parliamentary and rush chairman, will be announced Tuesday at the Panhellenic Council meeting, Miss Chadwick said. Two coeds were screened for the parliamentary post and three for rush chairman.

Miss Chadwick said that any sorority woman, including pledges, may vote for these candidates. According to tentative plans, polls will be placed in dining halls with the exception of North and West Halls, she said.

Installation of new officers will be held during the week-end of March 3 and 4, Miss Chadwick said.

## Ritenour Releases Last 'Poison' Case

The last patient from Sunday night's deluge of students with symptoms of food poisoning was released from Ritenour Health Center yesterday, Dr. Edgar S. Krug, assistant director of the center, said last night.

Food services and Health center officials said an exact diagnosis of the illness cannot be determined at this time.

However, students treated Sunday night said they were told by center personnel they had food poisoning.

Robert C. Proffitt, associate director of food service, said that samples from Sunday's evening meal are now being tested. Officials are also checking the entire process of preparation. Proffitt said, but have found nothing to date.

Proffitt and Krug both said that the testing at Ritenour will take some time. Moreover, Proffitt reported, tests may be inconclusive because such a relatively small number of students were affected that the source would be proportionately small.

TOO MANY BABIES

**DIE**

Some big-city hospitals send babies home the day after they're born. Why? Not enough doctors. Or nurses. Or beds. In this week's Saturday Evening Post, you'll learn how inadequate medical care costs thousands of infant lives. How our baby death rate compares with other countries'. And why licensed midwives may be the answer.
