

Hoyt Wows Judges In Skating Tourney

BOSTON (AP)—Monty Hoyt of Denver, Colo., whirled through a breathless performance in the compulsory figures yesterday and all but wrapped up the national senior men's figure skating championship.

Monty, last year's junior titleholder, compiled a fantastic 5½ ordinals as he went through his paces on the ice at the Skating Club of Boston. This means that he was placed first on the cards of four of the five judges and tied for first on the fifth.

This was the first national championship since last year's plane crash in Brussels, Belgium, which killed America's top 15 skaters. They were on their way to the world championships — later called off — in Prague.

SCOTT ALLEN of the Skating Club of New York, who won't reach his 13th birthday until next week, was in second place with 10½ ordinals.

In the men's novice division, Tim Wood of Bloomfield Hills, Mich., compiled 7½ ordinals for a narrow lead over Paul McGrath of Milton, Mass., who had 8½.

Pam Schneider, 13, from Asbury Park, N.J., compiled 8 ordinals compared with 20 for second-place Dorothy Thompson of Colorado Springs.

THE ORDINALS, in the mathematically complicated figure skating scoring, are compiled on the basis of placings by the judges. But they do not always determine the final rankings after the second phase of the competition—free skating.

The compulsory figures count 60 per cent in the final scoring and the free skating 40 per cent.

Hoyt's specialty is the compulsory of school figures. He probably won't score as high in the free skating, but his margin is far too great for Allen to overcome.

Sports Staff Meeting

There will be a compulsory meeting for all persons of the sports staff at 7:30 p.m. Monday in the Collegian office.

DU Battles for 8th IM Crown

By JOE GRATA

Delta Upsilon has won the intramural championship in the fraternity division for the past three years, but its chances of winning another title were hurt this year when boxing was dropped from the regular IM program.

When points were tabulated for the fall term, Phi Delta Theta was leading the standings with 245 points. Out of the 53 fraternities entered in the program, Delta Upsilon was tied with Kappa Delta Rho for sixth place. Both had 125 points.

DU USUALLY MAKES its run for the title about this time of year, piling up valuable points in boxing. They've cooped the boxing title seven times and tied for the crown three other times since 1946, when the first permanent IM records were kept.

This year, because of complications caused by the new term system, boxing was dropped and

paddle ball was substituted. But enthusiasm are strong. We don't really have an excess of talent in any of the sports, but our consistent showings have been responsible for our championships."

"The boys will just have to learn to use their hands in a different way," Wayne said.

"We have two athletes, Ed Giegucz and Jim Gottschling, who are fairly proficient in paddleball," Wayne said. "So far both are undefeated in IM competition."

Wayne said that spirit and desire have played a great part in bringing DU its impressive IM record.

"WE ENTER EVERYTHING," Wayne said, "and our spirit and

Delta Upsilon figures to pick up some points in basketball this term. DU has averaged 55 points a game so far with Galen Hall, Buddy Torris, Giegucz, Dick Frick, and Tom Paton the top guns. Now 4-0, the DU team expects to be even stronger when Don Stepanowsky, who is currently recovering from a knee operation, gets into action.

Wayne expressed hope that Hal Powell will increase DU's chances of taking track and field competition this year.

"Powell could have been a great help to us this year if we could have had boxing. He won the men's independent title in boxing last year," he said.

State To Host Region Keglers In Tournament

By DENNIS KNECHT

Penn State will host the Region 3 Face-to-Face Men's Bowling Tournament, Saturday, Feb. 17, William F. Dean, assistant manager of the Hetzel Union Building and Region 3 Games Supervisor, said yesterday. Dean is in charge of the contest which is handled by the Association of College Unions.

Gettysburg College was the original site of the tournament but only six lanes were available to the ten teams entered, and about 14 hours would have been required to complete the contest. With 12 lanes at Rec Hall, playing time should be cut in half.

REGISTRATION FOR the tournament will be held in the HUB from 10 a.m. to noon on the day of the tournament. The draw for lanes and instructions will be given at noon, with the tournament officially opening at 1 p.m.

Penn State's opponent in the match will include Temple, Rutgers, West Virginia Penn. LaSalle, Muhlenburg, Gettysburg, Newark State College, Union City, N.J. and St. Peter's College.

Trophies will be awarded to the winners of the singles, doubles, and all-event competition.
