LUCKY STRIKE presents: LUCKY TUFFERS

"AT THE PROM"

IF TOBACCO COULD TALK (and who is certain it can't?) it would beg to be placed in Luckies. However, we would turn a deaf ear. Only tobacco that can prove its worth will ever get in a Lucky. This may seem heartless—but it pays! Today, college students smoke more Luckies than any other regular. We'd never be able to make that statement if we listened to every slick-talking tobacco leaf that tried to get into Luckies.

CHANGE TO LUCKIES and get some taste for a change!

Product of The American Tobacco Company—Tobacco is our middle name
