

Army Stops Gymnasts' Win Streak

By JOHN MORRIS
Assistant Sports Editor

Gene Wettstone predicted last week that the winner of Saturday's Penn State-Army gym meet at West Point would probably be the Eastern champion.

Wettstone's prognosticating stands an excellent chance of becoming fact. But, unfortunately for the Lions, it is Army that is in line for the Eastern crown.

Army (4-0-1) upended Wettstone's steam-rolling gymnasts, 54-42, before a vociferous band of Cadets at West Point Saturday, but it took a blizzard, an automobile accident and Army's top performance of the year to get the job done.

The Lions (3-1) made the trip to West Point in private cars Friday during the heaviest snowfall of the winter. One of the cars went off the road and its passengers—Dave Heilbrun, Ray Cherry and

Jay Braude—didn't reach Army until 2 a.m. Saturday.

Cherry finished last in the side horse. Heilbrun did the same in the long horse vault and Braude was unable to compete.

Larry Yohn, State's number one man on the still rings, participated in the meet, but was below par after his battle with a flu bug last week. The stocky senior managed a fourth in his specialty.

While the Lions were having their manpower problems the well-balanced Cadets were hitting their routines. The win moves Army into the top position in the Eastern Intercollegiate Gymnastics League race.

ARMY, always tough at home, has only two easy meets (Navy and Temple) blocking its way to EIGL honors. Ironically, the Cadets' chances rest on a Penn State victory over Syracuse this week at Rec Hall.

The Orange tied Army, 48-48, earlier in the year and boast a 3-0-1 record with only Temple remaining after the meet with State.

Army coach Tom Maloney "didn't expect to win," and expects State to beat Syracuse because of superior strength on the horizontal bar and parallel bars. Greg Weiss and Tommy Seward continued their outstanding individual performances, but the Lions didn't have the depth to beat the Cadets.

SEWARD WON the free exercise and took seconds on the p-bars and horizontal bar.

Weiss won on the side horse and the p-bars, but finished third

on the horizontal bar when he stumbled after a double-flip dismount.

Army won the meet with a 1-2 finish on the still rings, a sweep in the long horse vault and Cadet Phil Costain's win over Weiss and Seward on the high bar.

STATE 42 ARMY 54

FLOOR EXERCISE: 1. Seward (PS) 26.5; 2. Lindes (A) 25.1; 3. Mitchell (A) 24.9; 4. Schlerd (PS) 23.7; 5. Harlacher (PS) 23.4; 6. Brown (A) 20.6.

SIDE HORSE: 1. Weiss (PS) 27.7; 2. Wallace (A) 25.4; 3. Johnson (A) 24.6; 4. Thomas (A) 21.7; 5. Harlacher (PS) 19.8; 6. Cherry (PS) 16.6.

STILL RINGS: 1. Werthington (A) 25.4; 2. Mooring (A) 25.4; 3. Williams (PS) 25.1; 4. Yohn (PS) 24.3; 5. Gray (A) 23.0; 6. Sforza (PS) 21.0.

LONG HORSE VAULT: 1. Best (A) 27.5; 2. Mooring (A) 26.5; 3. Ischinger (A) 26.7; 4. Sforza (PS) 24.5; 5. Capotola (PS) 25.8; 6. Heilbrun (PS) 24.9.

PARALLEL BARS: 1. Weiss (PS) 26.7; 2. Seward (PS) 27.5; 3. Longyel (A) 25.4; 4. Handren (A) 23.8; 5. Harlacher (PS) 21.4; 6. Balderston (A) 12.6.

HORIZONTAL BAR: 1. Costain (A) 24.1; 2. Seward (PS) 27.3; 3. Weiss (PS) 27.0; 4. Williams (PS) 25.9; 5. Best (A) 23.3; 6. Branning (PS) 21.6.

Lion Thinclads Lose at Navy

The Penn State thinclads won a track meet Saturday 35-29, but got swamped in a field meet 27 3/4-8 1/4. When the scores were put together Navy topped the Lions 56 3/4-43 3/4 at Annapolis in State's first dual meet of the season.

It was the same story with the Lion Frosh as they dropped a 60-40 count to the Navy Plebes.

Lion distance star Gerry Norman turned in one of the top performances of the day by breaking the Navy Field House record in winning the two-mile in 9:12.2, and finishing second in the mile. His record two-mile time was 30 seconds faster than Navy runner-up Joel Heine's.

Steve Moorhead also set a new field house record, taking the mile in 4:13.9. Norman finished second in 4:20.8, and Lionel Bassett completed a sweep for the

Lions with a 4:23.9 clocking.

Lion hurdler-broad jumper Bob Grantham won the 60-yard high hurdles in the closest race of the afternoon, just edging Navy's Frank Gaffney at the tape in 7.6.

Howie Deardorff copped the 1000 in 2:14.5 with teammate Ernie Noll placing third.

Navy sprinter Pete Galwas was not challenged in the 60-yard dash, winning in 6.2.

Middie George Marienthal nosed out Lion Mike Miller in the 600 with a 1:12.2 clocking to Miller's 1:12.5.

State broke even in the relays, losing the mile by six seconds, while turning in a 7:50.4 clocking in the two mile relay. Moorhead

and Deardorff ran 1:54.5 and 1:54.9 respectively on the last two legs of the two-mile relay win.

Ciro Risoldi was the only Lion field man to get a first place finish and he had to settle for a four-way tie at 13-6 in the pole vault.

Colin Grant broke the State frosh record for the two-mile with a 9:20 clocking, and Dick Lampman took the mile in 4:24.5.

STATE 43 3/4 NAVY 56 3/4

Mile—1. Moorhead (PS); 2. Norman (PS); 3. Bassett (PS); 4:13.9.

600—1. Marienthal (N); 2. Miller, Mike (PS); 3. Bing (N); 1:12.6.

60—1. Galwas (N); 2. Kallstad (N); 3. Popp (PS); 6.2.

60-yard high—1. Grantham (PS); 2. Gaffney (N); 3. Harvey (N); 7.6.

1000—1. Deardorff (PS); 2. Lingley (N); 3. Noll (PS); 2:14.5.

Two Mile—1. Norman (PS); 2. Heine (N); 3. Tuft (PS); 9:12.2.

Mile Relay—1. Navy (Sidford, Bing, Green, Marienthal); 2. Penn State; 3:20.

Two Mile Relay—1. Penn State (Noll, Bob Miller, Moorhead, Deardorff); 2. Navy; 7:50.4.

Broad Jump—1. Hastings (N); 2. Threll (N); 3. Grantham (PS); 22-10 1/4.

High Jump—1. Thaxton (N); 2. Tie between Wettstone (PS) and First (PS); 6-2.

Shot Put—1. Berkowitz (N); 2. Mather (N); 3. Urbank (PS); 51-6 1/2.

Pole Vault—1. Four way tie between Risoldi (PS), Rector (N), Negie (N), and Nutt (N); 12-4.

Weir Sets Record In IM Swimming

Sam Weir broke his own freestyle record last night to lead Chi Phi to a 37-4 romp over Delta Theta Sigma in fraternity intramural competition at Glensland Pool.

Swimming with a strong, steady stroke, Weir knocked .8 seconds off the old mark of 31.1 for the 60-yard race which he set as a freshman last year in the independent division. He also won the breaststroke for Chi Phi with a performance of 36.2 seconds, .9 off the record of 35.3 seconds.

Weir, a member of the New Jersey Lifeguard Association, finished third in Pennsylvania's YMCA state championship in the 50-yard freestyle last year with a time of 24.3.

In other action, Delta Tau Delta edged Phi Sigma Kappa, 21-19, and Alpha Sigma Phi downed Alpha Epsilon Pi, 21-3.

Steelers Hire Ramsey

PITTSBURGH (AP)—The Pittsburgh Steelers have hired Gerald "Buster" Ramsey as defensive line coach for the 1962 season.

Middies Hand Nittany Shooters Third Defeat

Penn State's rifle team fired its best score of the season but still lost to top-ranked Navy 1444-1432 at Annapolis, Md., Saturday. The loss was State's third against eight victories.

Top scorers for Penn State were Dick Gogolkiewicz, 292, Bill Schaffer, 289, Bill Kipple, 283, Dick Taylor, 285 and Dave Kline, 283.

Lion Coach Joe Watson said

that Navy will definitely be the team to beat in the upcoming national matches.

"The score of 1432 ranks us with some of the top teams in the country," Watson said. "If we can do as well in the nationals we should be in fairly good shape."

The rifle team will return to action Saturday at Duguesne.

SPACE, MISSILE & JET PROJECTS AT DOUGLAS

have created outstanding career opportunities for

SCIENTISTS and ENGINEERS

B.S. degrees or better

Assignments include the following areas:

Servo-Mechanisms—relating to all types of control problems

Electronic Systems—relating to all types of guidance, detection, control and communications

Propulsion—relating to fluid-mechanics, thermodynamics, dynamics, internal aerodynamics

Environmental—relating to air conditioning, pressurization and oxygen systems

Human Factors—analysis of environment affecting pilot and space crews, design of cockpit consoles, instrument panels and pilot equipment

Heat Transfer—relating to missile and space vehicle structures

Structures—relating to cyclic loads, temperature effects, and the investigation of new materials, methods, products, etc.

Aerodynamics—relating to wind tunnel research, stability and control

Solid State Physics—relating to metal surfaces and fatigue

Space vehicle and weapon system studies—of all types, involving a vast range of scientific and engineering skills
