

Van Zandt Gains Support As Woodside Withdraws

CHESTER, Pa. (AP)—Superior Court Judge Robert E. Woodside last night withdrew as a candidate for the Republican nomination for governor in favor of Congressman James Van Zandt.

Van Zandt said "it is agreeable to me to become the Republican party's candidate" for governor of Pennsylvania, after learning that Woodside had withdrawn in his favor.

GOP LEADERS FROM seven southeastern counties — Philadelphia, Bucks, Montgomery, Delaware, Dauphin, Chester and Lancaster — promptly endorsed Van Zandt, who up to now had been seeking the Republican nomination for U.S. senator on a ticket headed by Woodside.

George Bloom, State Republican chairman, issued a statement for Woodside in which he quoted the judge:

"Evidencing my sincere desire for party harmony I now announce my withdrawal as a candidate for governor in favor of Congressman Van Zandt and call upon Sen. Hugh Scott to do the same if he is sincerely interested in party unity.

Bloom said in a statement after a meeting that lasted over six hours that the Republican leaders originally sought to endorse a ticket

posed to Van Zandt for any office.

"This is undisputable proof that Sen. Scott is determined to follow a policy of rule or ruin to the bitter end even if it means destruction of the Republican party."

BLOOM SAID HE told the meeting that he had conducted a survey of the Republican political situation in Pennsylvania and concluded the Scranton-Van Zandt ticket was acceptable.

"It was agreed by those present that a ticket headed by Van Zandt for U.S. senator and Scranton for governor would be acceptable. I then contacted Sen. Scott and asked him if this ticket would be acceptable to him."

Scott, a Philadelphian who announced his candidacy earlier this month with the avowed purpose of getting Woodside out of the race, then said he would not agree until the governorship was settled, Bloom said.

VAN ZANDT, 61, an Altoona Congressman and former national commander of the Veterans of Foreign Wars, originally sought the GOP gubernatorial bid.

It appeared obvious from the statements by Bloom and Woodside that only withdrawal by Scott could avoid a primary fight.

Scott has stated he would withdraw if the compromise candidate is acceptable to him.

et by Rep. William Scranton of Lackawanna County for governor and Van Zandt for senator.

"**SCOTT DEFINITELY** and deliberately stated that he would not agree to anything until the governorship was settled and then and only then would he discuss the rest of the ticket," said Bloom.

"We have justifiable reasons to believe that Sen. Scott and a few of his backers are unalterably op-

Zorin Expresses Hope For Space Cooperation

UNITED NATIONS, N.Y. (AP)—Soviet Chief Delegate Valerian A. Zorin voiced hope yesterday that the coming U.N. meeting on outer space would lay the groundwork for Soviet-U.S. cooperation in that field.

At a news conference he cited Premier Khrushchev's eable to President Kennedy hailing John H. Glenn Jr.'s space flight and suggesting that the two big powers pool their efforts to explore space.

BULLETIN

WASHINGTON (AP) — The United States and Russia were reported yesterday to be arranging for simultaneous television broadcasts in both countries of statements by President Kennedy and Premier Khrushchev. The tentative date is March 24 or 25.

Zorin, a deputy foreign minister, said the Soviet Union intended to cooperate with the United States and all other members of the 28-nation U.N. committee on the peaceful uses of outer space.

He said he thought that when the committee convened March

19, "We shall be able to work out a program of work for this committee which will make possible mutually beneficial and advantageous cooperation in this field of endeavor."

"We hope," he added, "that there will be proposals — from both sides, of course — which would lead to a fruitful cooperation in the field of outer space."

He declined to say just what the Soviet proposals would be.

Zorin, answering a question, said that in South Viet Nam, the Americans "are getting bogged down in a very disadvantageous and politically unjustified war which will entail very unpleasant consequences for them."

Committee to Vote On House Roll Bill

WASHINGTON (AP)—Howard E. Smith, chairman of the House Rules Committee, said yesterday his group will probably vote tomorrow on a bill to increase membership in the House of Representatives by three to a permanent roll of 438.

The Virginia Democrat said he expects to vote favorably himself for the bill sponsored by Rep. Francis E. Walter, (D-Pa.). It previously was approved by the House Judiciary Committee.

The three extra House seats will be given to Pennsylvania, Massachusetts and Missouri whose delegations are being reduced due to population shifts shown by the 1960 census.

The Keystone State now stands to lose three of its present 30 seats unless the Walter bill is passed.

2 Films Lead Nominations For Oscars

HOLLYWOOD (AP) — "West Side Story" and "Judgment at Nuremberg" took top honors in the Academy Award nominations yesterday, with 11 mentions apiece.

The "Hustler" followed these two hard views of modern life with nine nominations.

It was youth versus maturity in the races for male star performances. Charles Boyer of "Fanny" and Spencer Tracey of "Judgment at Nuremberg" found themselves contending with three newcomers — Paul Newman for "The Hustler"; Maximilian Schell, "Judgment at Nuremberg"; and Stuart Whitman, "The Mark."

It was a youthful race all the way with the ladies:

Audrey Hepburn, "Breakfast at Tiffany's"; Piper Laurie, "Two Women"; Geraldine Page, "Two Women"; Geraldine Page, "Summer and Smoke"; and Natalie Wood, "Splendor in the Grass." "West Side Story," "Judgment at Nuremberg" and "The Hustler" were nominated for best picture of the year, along with two lighter amusements, "Fanny" and "Guns of Navarone."
