

# Stickmen Set Scoring Record In Trouncing Lafayette, 20-10

By DEAN BILLYCK  
Sports Co-Editor

In the spring of 1913 Penn State fielded its first lacrosse team beating Penn, 4-3. Ever since that first game, Lion lacrosse teams have been shooting goals into opponent nets — sometimes with great success, sometimes not.

Twice during the 49 years of Nittany lacrosse, State has fired 19 goals against the foe. In 1923 the score was Penn State 19, Brooklyn Poly 0, and in 1935 the scoreboard read Penn State 19, Lafayette 4.

Saturday on Beaver Field that single game scoring record of 19 goals a game went down the drain as coach Dick Pencsek's rampaging shooters trounced Lafayette, 20-10. It was their fourth straight win.

**BUT THE BREAKING** of that record is not the real story of the game. Simply stated it is that the Lions were not satisfied with their play, even after setting a scoring record.

"We were very sloppy at times and I would have to say I wasn't happy with the way we played," Pencsek said yesterday. "Even the players felt bad about their play. After the game they sat around the locker room talking over all their mistakes. I think they know we have a lot of work to do."

Dick Seelig led the Lion onslaught with four tallies, but eight other players added goals. It was Seelig who scored the record breaking goal at 12:50 of the last period on an assist from John Meisel.

"I didn't have any idea what the score was," Pencsek said afterwards. "I was more concerned with how we scored our goals and not how many we scored."

**THE LION COACH** admitted his Lions got complacent after taking a quick first period 9-0 lead over the hapless Leopards. "After we scored those first

three or four goals, I figure we might let up. But you can't blame the kids for that. It's hard to get up for a team when you know you can beat them."

State took an 18-3 lead into the final frame, but when Pencsek cleared the bench, Lafayette started scoring. The Leopards tallied seven goals, six of them in less than six minutes, forcing Pencsek to return the regulars to action.

Besides Seelig's four scores, Ken Staub, Bill Charron and John

Meisel tallied three times. Tom Hayes and Lou Meier had two goals and Howie Spencer, Ron Bracciantie and Lou Paulin scored once.

Don Ritter led the Lafayette attack with five goals. Barry Gutwillig scored three times and Bob Gursky added two tallies for the Leopards.

The win marked State's best start since 1956.

## Pirates Win Fifth in Row, 6-5

**CHICAGO (AP)** — Roberto Clemente's three-run homer and the tight relief pitching of lefty Diomedes Olivo, 42-year-old rookie, grooved the unbeaten Pittsburgh Pirates to a 6-5 victory over the winless Chicago Cubs yesterday.

The Bucs stretched their winning streak to five games and left the Cubs with six defeats, five of them to left-handed hurlers.

Olivo, a lanky pitcher from the Dominican Republic, who had an 11-7 record for Columbus last year, collected the victory with his stint from the fourth into the

eighth inning. He was nicked for four hits and one run, struck out three and walked one.

After the Cubs had taken a 4-1 lead, Clemente's second homer of the season was the big blow in a four-run fifth that shelled starter Glen Hobbie. The Cubs tied it, 5-5, in the sixth.

The Pirates' decisive run came in the seventh. Dick Stuart walked, went to second when Clemente grounded out and took third on a passed ball. Don Hoak's hit to right drove Stuart home.

## State, West Virginia, Syracuse, Pitt Agree To Disallow 'Red-Shirting'

The pact entered into by Penn State, Pitt, Syracuse and West Virginia outlawing the practice of "red-shirting" in all their athletic programs is designed as the first move in a nationwide trend.

Ernest B. McCoy, Penn State director of athletics, explained the pact, following the official announcement of the action Saturday.

"The four schools are working on an informal basis," McCoy said, "but the problem is not sectional and I expect other schools and conference to follow our lead."

**THE COMPACT** is not intended to exclude any interested subscriber. Other institutions will be encouraged to participate in the agreement.

The pact has been in the planning stages since January and the final details were ironed out at a meeting of the four athletic directors of the participating schools

—McCoy, Frank Carver of Pitt, Red Brown of West Virginia and Lew Andreas of Syracuse.

During their formulative talks, the directors kept in almost constant touch with the heads of the universities, who had already agreed on the move and had turned the matter over to the directors for the final action.

**RED-SHIRTING** is the term applied to the practice of withholding an athlete from competition for a year, usually the sophomore year, to take advantage of his developing maturity and ability.

There are certain exceptions written into the pact to excuse hardship cases.

These exceptions will excuse a player who is injured before or during the first regular season game and the player who takes time out for military or religious services.

The agreement is retroactive in that it applies to students who enrolled as freshman in the fall of 1961. — John Morris
