## Midfielder Tallies 8 Goals In Nittanies' Fifth Victory

If there was any doubt that Tom Hayes deserves a spot on this year's All-American lacrosse team, it was certainly dispelled Saturday on Beaver Field before 1,000 fans.

All the junior did was set a new State individual scoring record for a midfielder by tallying eight goals, seven of them unassisted, and almost single handedly lead the Lions to an 18-13 victory over Rutgers. Hayes, who was an honorable mention All-American last year, now has 19 goals.

The win marked the first time a State lacrosse team has ever beaten Rutgers and was the Lions' fifth victory in six starts. It

Lacrosse coach Dick Pencek announced that a clinic for fans who are interested in learning more about the sport will be held on the field near the University ice rink today at 5 p.m.

Players will be dressed in game uniforms, and rules, scoring patterns and defenses will be explained. Pencek said interest in lacrosse has risen since the Lions have won five of their first six games, and a number of fans have requested the clinic.

was the biggest win of the season for new coach Dick Pencek, who was a former All-American defenseman at Rutgers.

PENCEK WAS high in his praise of Hayes. The eight goals was only one tally short of the all-time single game scoring record set by attackman Bill Hess in 1957 against Penn. That season Hess led the nation in scoring with 49 goals and was named to the All-American team.

After scoring his eighth goal with 10 minutes remaining in the game, Hayes was informed he was only one tally short of the State record. But his reply was typical of the spirit that has carried the Lions to their best start in history.

"I don't care about the record," he said in between gulps of water. "As long as the team wins, that's all that matters."

State gained a 5-4 first period lead and increased it to 9-5 at halftime. But the Scarlet Knights began to move in the third quarter. Tom Hamilton, who tied Roger Matthews with four goals for the losers, scored twice in a little more than a minute.

State's Lou Meier dumped in a goal to make it 10-7, but Matthews and Hamilton scored again and the margin was cut to 10-9. Hayes put the Lions ahead, 11-9, but Matthews came right back to make it 11-10 as a quarter came to a close.

WITH 19 SECONDS gone of the fourth period Hayes put State into a two-goal lead with a shot that whizzed into the Rutgers' nets. But the Scarlet scored three times before State could get untracked and for the first time since the early parts of the game took the lead, 13-12.

Then Hayes took control for the Lions again and within 18 seconds had two scores and a 14-13 lead for State. Pencek's crew never again lost the lead.

# Coates-Led Whites Win, 19-6

Penn State ended its spring football drills Saturday the same way it started them — looking for a quarterback.

The Lions closed out the 20-day drills with the annual Blue-White game before 2,000 fans in Beaver Stadium, but it was apparent that no one quarterback is ready to take over where post-season sensation Galen Hall left off.

"Right now we have four good quarterbacks, all we need is a great one," quarterback coach Joe Paterno said after watching the Whites top the Blues, 19-6. "Our quarterbacks are all adequate but none of them is able to fill Hall's shoes yet."

RON COATES, a red shirt last year, did the best job of the signal callers. He sparked two White touchdown drives by carrying for 57 yards in six attempts and passing for 76 more.

Coates scored the first touchdown of the game on a five-yard run after he found his receivers covered in the end zone.

Don Caum, who was the most impressive quarterback during the regular drills, had a bad first half but came back strong in the second half to lead the Blues to their only score. Caum, who com-

pleted 10 of 23 passes, led the Blue team on a 72-yard touchdown drive that included a 22-yard pass to Frank Sincek and a 19-yard aerial to Cliff Davis. Fullback Ed Stuckrath crashed over from the one for the score.

Gary Wydman, who was converted from halfback to quarterback this spring, completed five of eight passes for 70 yards. The Lions' other signal caller, Frank Potter, reinjured his knee during drills last week and did not play.

RALPH BAKER, a sophomore who played end and guard last season and was shifted to center this spring, was awarded the an-

annual Red Worrell Trophy for being the most improved player in spring practice. Baker is the fifth straight lineman to win the award. Last year Joe Galardi won the honor.

Head coach Rip Engle said he was not pleased with the tackling and blocking of the players, but he did praise the work of freshman halfbacks Bud Yost, Gary Klingensmith and George Brome. He said he was also pleased with the end play of Bill Turinski, Noel Sabatino and Ted Malewicz. A total of 15 players were excused from spring practice, leaving Engle with very few of his regulars drilling.—Dean Billick.
