SPRING HAS SPRUNG
... and lots of flowers have riz around campus and at Ethel Meserow's. Ethel has bright springy flowers on everything from Mother's Day cards to dainty flowered umbrellas. Just to get in a seasonal mood — try a colorful bouquet of artificial flowers for that drab dressing table top. Really perks the room up!

ALMOST JUNE NOW
With June come graduations, weddings, and showers. Ethel has many appropriate gift ideas for all these occasions. For wedding and shower gifts there are straw, plastic, and linen place mats in shades to mix or match with every color scheme. Delicate bud vases, china demitasse cups, and modernistically designed dinnerware and dish towels are only a few of the suggestions Ethel offers for the new bride. With graduation almost here, you'll want to see the graduation cards, traveling alarms, and perhaps look at bracelets or rings as a lovely lasting gift.

TRAVELING?
Summer usually includes trips to the shore, weekends at a friend's house, and visiting the relatives. To make it easier to gather up all those loose odds and ends, Ethel has plastic travel bags in gay stripes and prints. These little carry-alls contain several useful plastic bottles and jars for suntan lotion, cold cream, bobby pins or clips, and any other easy to lose or spill items. Believe me, when you're traveling, it really helps to have so many unbreakable bottles!
