**I WITNESSED THE ATROCITIES IN ANGOLA**

A pregnant mother is clubbed to death. A laborer is thrown in prison for missing a day's work. Hundreds of Angolans are slaughtered in cold blood. In this week's Post, an American missionary describes this butchery. He tells how the Portuguese keep 4,000,000 Africans in near slavery. And how he himself was jailed on trumped-up charges.

## SIGMA TAU

Initiates 36 New Members

Sigma Tau, national engineering honorary, initiated thirty-six new members last evening. Following the initiation ceremonies, new officers were elected for the coming year. A banquet was then held at the Eutaw House to honor the new initiates.

Sigma Tau recognizes the achievements of students in the field of engineering on the basis of scholarship and character.

Professor Maurice S. Gjesdahl, head of the Mechanical Engineering Department, was initiated as an alumni member.

**THE CHILDHOOD OF MAXIM GORKY**  
USSR 1938

directed by Mark Donskoi

This film is the first of a trilogy on the life of Maxim Gorky, and it is based on the autobiography MY CHILDHOOD. It provides a deep understanding of provincial life in the Russia of the 1870's, as seen through the eyes of Gorky as a young boy.

"Splendid social reportage... scene after scene of bold, uncompromising realism." New York Times.

"A reverent and interesting study in the genesis of a literary artist." New York Herald Tribune.

Awards: Edinburg film festival (The Richard Winnington Award, 1955).
