# Clean-Up to End Greek Week

Sororities and fraternities will be busy cleaning the Stone Valley area this Saturday as the final project of Greek Week and then will relax and "socialize" at a picnic following the work hours.

**EACH GROUP** is to report to Stone Valley at 1:30 that afternoon and will be assigned the area for which they will be responsible. David McClay, work project chairman, said yesterday.

First and second place trophies based on participation and work accomplished will be awarded.

McClay said. Sororities and fraternities will be judged separately rather than with their partners, he added.

Refreshments for the picnic must be supplied by the individual groups, he said. No alcoholic beverages will be permitted at the work project, he added.

Final letters of instruction will be sent to the Greek Week chairmen of the various groups today, McClay said.

The work project is an extension of Greek Week, which was held from Oct. 22 to 31.

## 2 Students Injured In Auto Accident

Two students were injured at 5:12 p.m. last Saturday when the car in which they were riding failed to negotiate a left curve while traveling north on Scotia Road, state police said last night.

Arthur Pergam, senior in pre-medicine from Abington, was admitted to Centre County Hospital with chest injuries and cuts and bruises of the right knee, police said. Lawrence Britton, sophomore in engineering from Shamokin, was admitted with cuts of the right side and a fracture of the right lower leg.

The car operated by Pergam failed to negotiate the curve, went off the right side of the road, careened off an embankment and upset, police said.

Hospital officials refused to release the patients' condition upon their request.

Pergam is the president of the Town Independent Men's Council and Britton is treasurer.
