Study? Who me?

In this weather? Who are you trying to kid? As an eminent: philosopher once said, "there's a time to study and a time to loaf." From the looks of things this is the time to loaf, and what better place to loaf than Whipples? No, I'm not trying to sell you stock in Whipples. (wish I had some to sell) I'd just like to see you out there some time, (you mean you're actually a senior and you've never been to Whipples? tsk, tsk) and when you're out there I'd like to see you wellequipped and ready for fun. Ah. Ha, you say, that's where Ethel Meserve somes in: That's very keen preception, although it's a pretty obvious fact that Ethel Meserve's is well stocked with summer fun and beauty articles.

Once around the block, please . . .

before you head for Whipples. Might be a good idea. Gives you plenty of time to remem-. ber what you forgot and rush down to Ethel Meserve's and get it. If you find that your date doesn't like to make twenty trips between the car and the dorm, try packing a suitcase, or better yet, buy a beautifully large straw handbag from Ethel Meserve's. Large handbags are not only stylish and attractive, but practically speaking, they can be used to carry anything and everything from a deck of cards (from Ethel Meserve's, of course) to sunglasses. Speaking of sunglasses, you'll be needing them for Whipples too, and where can you find a hetter. selection than at Ethel Meserve's. (pastel colored frames are the latest)

Pessimistic, maybe?

Gosh, I hate to end on a pessimistic note, but with the weather we've been having in the late afternoons recently, maybe I'd better just mention that Ethel Meserve's has a good supply of umbrellas too.

Girl Watcher's Guide

Presented by Pall Mall Famous Cigarettes

IS□ A few "don'ts"

Now that we have learned the how of girl watching, let's consider a few safety precautions. They are presented, not as strict rules (since some experts with highly developed eyeball control enjoy watching while running the high hurdles, for example), but merely as friendly suggestions. 1. Don't watch while driving. 2. Don't watch

while drilling teeth (dental students only). 3. Don't watch while removing tonsils (medical students only). 4. Don't watch while mixing chemicals in the lab. 5. Don't watch girls who are engaged to the captain of the football team. Our final suggestion is a do, not a don't. Taste Pall Mall -so smooth; so satisfying, so downright smokeable!

٠,

Compare all three! Smake "traveled" through fine tehacce tastes hest. See the difference! With Pall Mall, you get that famous length of the finest tobaccos money can buy. Pall Mall's famous length travels and gentles the smoke naturally ... over, under, around and through Pall Mall's fine, mellow tobaccos. Makes it mild .1. but does not filter out that satisfying flavor!

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!
