# Golfers Beat Lehigh; Seek Win Over Pitt

By JOE GRATA

For the second time this year State's linksmen shutout their opponents by a 7-0 score, both wins on the University course. The first whitewash was over Villanova, and Saturday the Lion golf team routed weak Lehigh for the second.

Today the Nittany golfers travel to Pittsburgh where they'll romp over the Wildwood Country Club fairways with the Panthers in the traditional "backyard" fracas.

The going was easy for coach Joe Boyle's golf team, which upped its season record to nine wins against one loss. The match ended State's home schedule, with Pitt and Cornell remaining on the away agenda.

State's Jim Tabor continued unbeaten in 10 matches as the Lions' number one man by downing Don DeMooy, 8 and 7, his largest winning margin. When the personable sophomore copped his victory on the 11th hole, he was shooting an outstanding 2-under par.

PAUL HUMMER

IT WAS THE final competitive dual meet on "familiar grounds" for Lion captain and senior Bob Swahn, who beat Dick Elwood, 5 and 4. Boyle has called Swahn, the small but well co-ordinated 119-pounder from Erie, Pa., one of the hardest working players ever to compete for the Nittany linksmen.

Sophomores Roland Gartner, Joe Baidy, and Bill Robinson won close decisions. Gartner defeated Lehigh senior Karl Fuerst while teammate Baidy downed senior Gerry Cooper, by identical 1-up scores.

Robinson retained the second best individual mark on the team (8-2), edging Ray Noonan on the 16th hole for a 2-up victory.

Dave Liebau, who had a 2-4 individual mark before he was a semi-finalist in the Eastern Intercollegiate Golf Association championships at Cornell University last weekend, has evened his season record at 500 with wins in his last two starts. The aggressive State sophomore easily ousted opponent Tony Crecca Saturday, 7 and 5.

JUNIOR PAUL HUMMER, playing in the number seven slot, turned in his seventh win against three defeats, downing the Engineers' George Hagsloz, 5 and 4. Last year Penn State nipped Lehigh, 4-3, but academic difficulties

and study pressures have deprived Lehigh's 1962 golf team of three returning lettermen, including junior Bob Fuerst, brother of Karl who lost to Gartner.

If the Lions beat Pitt today, they'll have 10 victories, the most a State team has had since 1958 when the Lion linksmen went undefeated in ten starts and won the Easterns. This year, Boyle's squad finished third of 14 entries.

At last report, the Panthers were winless. But as usual, records are of little significance when the Panthers and Lions tangle, even in the more casual sport of golf. Last year State won, 6-1.

The Wildwood links, located at Allison Park on the North Side of Pittsburgh, are in excellent condition. Once owned by Pitt University, the course is now privately owned and operated.

# Trackmen Smash Quantico; Beard Sets Vault Record

By DENNIS KNECHT

Except for coach Chick Werner and his track team, very few people gave Penn State a chance against the highly-praised Quantico Marines before Saturday's dual meet on Beaver Field.

And nobody, not even Werner, expected the Lions to completely dominate the meet with 10 first places and finish 22 points ahead of the visiting team.

But that's exactly what happened as the State thincads rolled up an 81 1/2-59 1/2 score — six more points than ICA Indoor Champion and outdoor favorite, Villanova, beat the Marines by one week before.

"WE JUST tried a little harder than they did," was the way Werner summed it up. "We did everything possible to win the meet."

By "everything" Werner meant the all-out effort given by the team, flying Gerry Norman back from the West coast early Sat-

urday morning and entering Bob Grantham in five events.

Norman, a junior from Bristol, England, ran the 5000-meter event in the Los Angeles Coliseum Friday night, where he broke the Coliseum Relays record of 14:25.5 by two seconds, before a crowd of 70,000, but placed fifth.

The winner of the event was New Zealand's Barry McGee.

"I was very pleased," Norman said when he returned to Beaver Field Saturday. "My time for the three miles was 13:56, five seconds under my best time for the distance."

The feature race, termed the "miracle mile" was won by New Zealand's Peter Snell, world record-holder in 3:56.1, with Oregon's Dyrol Burleson running second.

The Norman ran the two-mile in 9:22.7 on Beaver Field, easily beating the Marines' Bernie Frakes,

who challenged the Lion distance star until the last lap.

Grantham was the workhorse of the Lion team, entering five events and winning the broad jump and low hurdles, and finishing second to teammates George Barnhill in the high hurdles and Steve Popp in the 100-yard dash.

RON BEARD topped Ciro Risoldi's week-old pole vault record by 3/4 of an inch at 14'5" to easily win the event. Risoldi finished second at 14'1".

Tom Urbanik got off a good shot put to win the event at 51'6".

## O's Rely On Roberts as Starter

CLEVELAND (AP) — Billy Hitchcock, manager of the sixth-place Baltimore Orioles, shrugged off the 1-10 record last year of Robin Roberts, former Philadelphia Phillies pitching great who signed with the Orioles yesterday.

"That was last year," Hitchcock said about the 35-year-old Roberts' worst season in 14 years in the major leagues.

"He's going to give us what we need badly — another starting pitcher. One starter isn't enough. You've got to have five or six." The Birds' pilot emphasized the

one-time Phillies workhorse, who failed to stick with the New York Yankees during a spring trial, was in excellent condition. New York bought Roberts from the Phillies, with whom he won 234 games to become the third in victories among active major league pitchers. Only the Chicago White Sox's Early Wynn and Milwaukee's Warren Spahn have won more.

To make room for the veteran right-hander, the Orioles optioned rookie southpaw Art Quirk to Rochester of the International League.
