By FRANK QUIGLEY

Phi Gamma Delta moved closer to the lead in the fraternity intramural overall standings by defeating Delta Upsilon, 1-0, in the fraternity soccer finals last night on Beaver Field.

DU is the current leader with 1002 points while Phi Gamma is second with 964 points.

After a scoreless first half, Frank Carpenter of Phi Gamma scored from directly in front of the nets with five minutes remaining in the game. DU goalie Buddy Torris was shielded from the play after blocking a previous shot.

At the time of the goal, the score was tied on cornerkicks, 2-2.

In the independent finals, Mifflin defeated Nittany 33-44, 2-1. Ben Bletcher scored both of Mifflin's goals.

Bletcher booted home a penalty kick in the first half for his first score and tallied from five yards out in the second half for his other goal. Nittany's goal was scored by Nizar Al Talib on a head shot midway through the second half. Al Talib and teammate Ali Rubaiyi are from Bagdad, Iraq.

Bill Polacek and Mark Peterson of Sigma Nu won the IM tennis doubles championship this week by defeating Denny Richardson and Bill Stout of Alpha Chi Rho in the finals, 7-5, 6-8, 6-2.

Lambda Chi Alpha and Beta Theta Pi are competing this week to determine the champion in the fraternity golf competition. In independent action the Indies defeated Cottonwood, 3-1, to win the crown!

**NOT THIS TIME**—Buddy Torris of Delta Upsilon blocks a shot taken by a Phi Gamma Delta player in the intramural fraternity soccer finals last night on Beaver Field. Phi Gamma got one shot by Torris, however, and won the championship, 1-0.

**Theta Chi Wins Volleyball Title**

By JIM BUKATA

For the first time in 15 years an intramural trophy rests in the Theta Chi trophy case.

Theta Chi hadn't won an IM crown since 1947, but Tuesday night it copped the 1962 volleyball title with a come-from-behind win over Phi Mu Delta.

After losing the first set of the championship contest, 15-2, Theta Chi stormed back to win the next two sets in hair-raising fashion, 18-16, 16-14.

In battling their way to the finals, the new champs beat Lambda Chi Alpha, Delta Upsilon and Triangle. Phi Mu Delta stopped Alpha Sigma Phi, Theta Delta Chi, and Alpha Epsilon Pi to gain its spot in the championship round.

In the third and decisive game the score was tied at 13-13 and 14-14 before Theta Chi broke through to win the contest.

On the winning squad were John Barie, Dave Funk, Norm Allan, Jack Bowman, Jim Stalder, Joe Braun, Al Migliaccio, and John Weldner.

The independent title went to the Whizzers in three sets over Montgomery. The Whizzers won the first set, 17-15 after being down 10-0; lost the second set, 15-8, and then won the deciding set, 15-7.

Members of the winning squad were Doug Gerard, Fred Claypool, Doug Hoener, Harry McHenry, Bryan Graves, Jerry Wellner, and John Frank.

IM Director Dutch Sykes called the play in the playoff round "the best I have ever seen."

**San Francisco Gets Warriors, Chamberlain**

NEW YORK (P) — The Philadelphia Warriors, starring Wilt Chamberlain, finally moved to San Francisco yesterday.

After a month-long series of meetings the National Basketball Association's board of governors approved the sale of the franchise for \$850,000 and the shift to San Francisco, although the Boston and New York clubowners voted against it.

The seller was Eddie Gottlieb, owner of the Warriors and charter member of the NBA. The buyer is a syndicate headed by Matty Simmons and Leonard Mogel, both of New York. The remaining members all are of San Francisco.

**Floyd Says Title Fight Will Be Held in Chicago**

NEW YORK (P) — Heavyweight champion Floyd Patterson said yesterday his title fight against Sonny Liston will be held in Chicago in mid-September "unless something comes up."

Patterson, at a press conference, said he felt sure that the fight in Chicago would come through.

I have put in many years in basketball and have begun to think of retirement and to get ready for it. Despite this, I made every effort to purchase a team to represent Philadelphia in the NBA this coming year but without success.

I would like to see Philadelphia return to the NBA in the near future. Until then I am making every effort to line up some league games there so that pro basketball will be kept alive.

THE TRANSFER gives the league two West Coast teams and sets up a natural rivalry and also helps cut traveling costs. Two years ago the Minneapolis Lakers were transferred to Los Angeles.

Other teams in the nine club league are Syracuse, St. Louis, Cincinnati, Detroit and Chicago.

The league tentatively has agreed to put a franchise in Baltimore but no suitable arena is available there.
