VOL. 4, No. 4

UNIVERSITY PARK, PA., THURSDAY MORNING, JULY 12, 1962

FIVE CENTS

COTTON ANYONE?—Magician C. Shaw Smith offers members of the audience cotton ear plugs while his children demonstrate their muscial skills. Smith presented a variety of magical tricks including "Dean Lipp's Personal Diary"

-Collegian Photo by Tom Browne which burst into flame when he opened it. In addition to being a professional magician, Smith is also director of student activities at Davidson College in North Carolina.

State Grants \$296,000 From Surplus Revenues

University Requests Sewage Plant 'OK'

According to the plans, the plant, located on University Road, will increase its capacity to 4,000, to the sewage plant was also 000 gallons of water per day from its present 2,800,000 gallon capacity, Campbell said.

TWO NEW treatment units, a compressed air blower and a new contact tank for chlorination are needed for this project. The pressed will also be modified with the addition of an aeration tank. Fuller plans include construction of two more treatment units to increase the plant's daily capacity to 6,000,000 gallons, he said.

The present plant is able to re-live to have a student, enrollment of have a student, enrollment of the University expects to have a student, enrollment of have a student, enrollment of the Greek warners and KAY MILLS

The imperceptible disorders the borough will have 6,000 more causing war are illustrated through a skillful blend of levity and laughter in "Tiger at the plant began operation, he said, to 6,000,000 gallons, he said.
