

World Swim Stars Vie for AAU Titles

CUYAHOGA FALLS, Ohio (AP)—A 20-member West German team headed by 24-year-old standout Gerhard Hetz flew in yesterday to complete the international contingent for the star-studded men's National AAU Outdoor Swimming Championships.

There were 12 men and eight women with the team. The women will compete in invitational events held in conjunction with the three-day meet opening tomorrow and will fly next week to Chicago to compete in the women's national championships.

HETZ AND Ted Stickle of Indiana University are expected to provide one of several individual duels for spectators at the 50-meter Waterworks Pool. Both are entered in the 400-meter individual medley relay tomorrow, an event in which Stickle broke the 5-minute barrier while swimming here last year.

Hetz bettered Stickle's mark last May with a time of 4 minutes, 53.8 seconds, but Stickle, who hails from San Mateo, Calif., is 4:51.8.

There is also a possibility that 17-year-old Roy Saari, one of the world's greatest freestylers, will join the field against Hetz and Stickle. Saari says he will enter the 400-meter freestyle or the medley for his third event.

SAARI FACES some stiff competition in the freestyle events from two Australians—Murray Rose and Jon Konrad—both swimming under the Los Angeles Athletic Club colors. Rose, 22, lost to Saari in three events at the national indoor championships last spring, when his swimming suffered because of a heavy workload at the University of Southern California.

The Aussie had been a doubtful starter for this meet, but reportedly he was so encouraged by improvement shown in recent

meets he decided to make the trip here.

Saari, Rose and Konrad could get surprising competition from 16-year-old Don Schoellander Saturday in the 200-meter freestyle. The event never has been clocked in under 2 minutes, but Schoellander was timed in 2 minutes flat on one leg of an 800-meter relay event with the Santa Clara Swim Club. Konrad's best time is 2:00.4.

Pencek on Leave For Duty in Army

Dick Pencek, 1962 Penn State lacrosse coach, has been granted a leave of absence from July 1 to June 30, 1963, for service in the U.S. Army.

Pencek, an All-American lacrosse player at Rutgers in 1959 and 1960, directed the Lion stickmen to their best season (7-3) since 1946. His stickmen also won the Penn-Del and Middle Atlantic Conference crowns with 4-0 records in both leagues.

Dick Pencek

Pencek was named head coach last season and at 23 was the youngest lacrosse mentor in the nation.

He continued the development of many fine young stickers inherited from former coach Ernie Baer.

MIDFIELDER Tom Hayes, defenseman Andy Lockhart and attackmen John Meisel and Dick Seelig all developed under Pencek's tutelage, into fine players. Hayes and Lockhart were named to All-American berths, while Meisel made the Penn-Del All-Star first squad. Seelig was named to the second team Penn-Del squad.

Perhaps Pencek's greatest satisfaction came with State's 18-13 triumph over Rutgers. Not only was it the first time a Lion lacrosse team had beaten the Scarlet, but it was also a victory over his former roommate in college, Bob Naso. Naso is head coach at Rutgers.

Palmer Stung in Warmup

AKRON, Ohio (AP)—Arnold Palmer, Masters and British Open champion, was stung by a bee and fired a one-over-par 71 in a practice round yesterday, preparing for tomorrow's opening round of the American Golf Classic.

Palmer, who had one birdie and two bogeys, was stung on the left wrist while playing in the 17th hole. He had a slight puff on the wrist but was expected to play tomorrow without any difficulty.

Hall Holds Pass Record

Galen Hall's 256 passing yards against Pitt in the 1961 contest stands as the Penn State record for yards passing in one game.

Cricket Team Hosts Cornell

By MIKE LEAHY

The Penn State cricket team's return match against Cornell will be played on campus this Saturday afternoon.

Play will begin at 2:15 p.m. and should continue until 6:30 p.m. or later. The ground is located on the corner of the golf course opposite the Recreation Hall parking lot.

Admission is of course quite free, and all interested spectators are cordially invited. For the merely curious, a wealth of expert information is available. Any questions the spectators may have should be directed to the players not participating. Ideally they should be able to help.

THERE WILL BE a tea break at 4:30, but tea will not be served. The team, subject to last minute injuries and/or defections will be: K. S. Viswanathan, P. K. Mehta, R. Roy, P. Denny, D. Hamilton, K. Qazi, C. R. Bates, R. Nece, A. Dunbar, K. S. Harshal and M. P. T. Leahy (wkt/kpr).

The team shows two changes from that of last match. The batting should be strengthened by the return of Rustom Roy, who will open the innings with P. K. Mehta, and Ross Nece, who has been recalled from the wastelands of the softball league to replace injured David Vaughan.

McCoys Cop Floor Crown

By BILL JOYCE

The McCoys clinched the IM summer basketball championship last night with a 48-29 victory over the B. J. Boys.

The win gave the McCoys a 9-1 season record with their nearest challengers, Phys. Mits, finishing with an 8-2 record.

The Phys. Mits found out how real the McCoys could be one week ago, August 2, when they saw their championship hopes go down the drain, 38-34. The Phys. Mits had a one point lead with less than two minutes remaining, but the McCoy fast break, as fast as the colloquial babbling of Walter Brennen, took over and ended any trophy thoughts the Phys. Mits might have.

In IM softball action the Red Birds beat the M. Fers, 16-4, to take a one game lead in League A. The P. E. Grads are one game off the pace followed by Phi Kappa Theta two games back.

In League B the Gooches gouged out a 24-4 win over the Studs to take a one game lead. The DARS remained in second place by beating the M. C. Squares, 13-3.

Tied with the DARS for second place are the Misfits and Fuel Tech. The Misfits edged North Hampton last night, 14-12, and Fuel Tech. beat Bacteriology, 16-11.

The U-Clubs remained in third place by beating Dipoles, 20-7. The big blow for the U-Clubs was a three-run homer by Dave Hladick in the fourth inning. Bernie Schramko paced the 15-hit attack with three hits.

Mets Dropped From NL Race; Yanks, Orioles Split

SAN FRANCISCO (AP)—The modern record for most lost—115 record books can add a new line, by Boston in 1936, a National League mark, at 117 by Philadelphia in 1916 in the American League. The all-time mark is 134 defeats by Cleveland in 1899.

Earliest date for pennant losing—New York Mets, Aug 7, 1962. When the Mets succumbed Tuesday night in Los Angeles 7-5, they reached the point of no return. It was their 82nd defeat. Even if they win all the rest of their games—a fantasy that staggers the imagination—they have to finish below the .500 mark in a 162-game season.

As it is impossible that all the clubs finish below .500, the 82nd defeat meant mathematical elimination although they trailed the Dodgers by 46 games with 51 to play.

“What’s Casey Stengel trying to do, beat my losing record?” said Fred Haney, general manager of the Los Angeles Angels, in a kidding vein Tuesday night referred to 1952 when his Pittsburgh Pirates lost 112.

The Yanks had two runs in, do, beat my losing record?” said Fred Haney, general manager of the Los Angeles Angels, in a kidding vein Tuesday night referred to 1952 when his Pittsburgh Pirates lost 112.

Eight Big 33 Stars May Enroll at State

This year's Penn State freshman football team could be one of the best in coach Earl Bruce's career as no less than eight of the players in the fifth annual Big 33 football classic, won by the West 39-0, last Saturday at Hershey, have indicated that they will enroll here in the fall.

The All-Star tilt, composed of the 66 best players in the state, is considered one of the top post-season attractions in the country and State leads Pennsylvania schools in number of recruits followed by Pitt with three.

Possible future State players include: Rod Nixon, a 6-2 end from York; Don Steinbacher, a 225-pound tackle from Philadelphia; Steve Schreckengaust, a 205-pound guard from Harrisburg; Wayne Bowman, a 198-pound guard from Williamstown, all on the East squad; Ellery Seitz, a 185-pound guard from Bellefonte; Gary Eberle, a 240-pound tackle from Coraopolis; Dick Gingrick, a flashy quarterback from Burnham; and halfback Bob Riggle from Washington, Pa., all of the West.
