

Football, Tennis Singles Open New Intramural Sports Season

By JIM BUKATA

Five activities, opening with football and closing with basketball, will highlight the fall intramural program.

Director Dutch Sykes announced entries for football and tennis singles will be taken in the IM office, Recreation Hall, starting Monday.

The entry deadline is Sept. 28, and play in both activities will begin Oct. 3.

Football season will last seven weeks as teams try to capture the titles won by Phi Delta Theta and the Untouchables last year.

The 36-hole golf medal title will be decided Oct. 5 and 6 at the University Golf Course. Eighteen holes will be played on both Saturday and Sunday.

Entries for golf will open Oct. 1 and close Oct. 5.

Two activities lasting into the next term will begin later in the fall term.

Bowling entries will be taken from Oct. 9-15 and basketball entries will be taken from Oct. 18-24.

Sykes announced certain eligibility rules for the IM season:

- A student who has received a letter for varsity athletics at State or any other university is ineligible to participate in the sport in which he earned the award.

"DUTCH" SYKES

- Any student receiving athletic assistance shall be ineligible to participate in the sport responsible for his aid.

- In league or championship play-off, no player may represent a team who has not played with that team prior to such play-off.

The intramural director will again be assisted by Ben Amato and Bill Swan.

- Sykes also announced three other rules important to IM play:

- No scheduled contest shall be

postponed except by consent of the intramural office.

- A contest shall be declared forfeited to the team or individual ready to play in cases where the opponent fails to appear within the established time limits. For most sports the time limit is 10 minutes.

- All protests must be made in writing and presented at the IM office within 24 hours after the contest in question.

Sykes said he will be the final judge in protests and disputes. Awards will again be given to the champions of each sport.

In fraternity action, the house winning a championship will receive a trophy.

Also, the fraternity earning the greatest number of points under the fraternity point award system will receive the E. C. Bischoff award.

Each individual champion and each contributing member of a championship team in independent action will receive a Penn State Intramural silver medal.

Bruce Begins Seventeenth Year As Lion Freshman Grid Coach

By FRANK QUIGLEY

Coach Earl Bruce will begin his seventeenth season at Penn State by welcoming 26 freshman football candidates to their first practice session Monday.

Assisting Bruce with the freshmen for the third year will be Dan Radakovich. Radakovich was a standout, center and linebacker for Penn State from 1954 to 1956.

Bruce expects the size of his squad to swell near the 40 mark when several boys without scholarships join the 28 scholarship players in the fight to gain a starting berth on the squad.

Bruce's present team is broken down into five backs and 21 linemen. One of the more notable backfield aspirants is Dick Gingerich, lefthanded passer from Chief Logan High School.

Gingerich led his high school team to 24 straight victories and

capped his brilliant scholastic career by throwing two touch-down passes in the West's victory over the East in the Big 33 game played at Hershey (Pa.) this August. He is the only quarterback on the roster.

Another of the eight members of the squad who played in the Big 33 game is tackle Gary Eberle. Eberle, from Moon Twp., Pa., is one of the more promising line hopefuls.

Penn State will open its three-game schedule by hosting Syracuse Oct. 20. Then State will travel to Pitt Oct. 27 and to Army, Nov. 22. West Virginia will not appear on the frosh schedule for the first time in several years.

State's McCoy Chairs EIFL

President of the Eastern Intercollegiate Football League is Ernest B. McCoy, director of athletics at Pennsylvania State University.

A Complete Book Store

The modern book store is composed of many departments, each designed to give its customers the best possible service covering anything that is printed on paper. THE PENNSYLVANIA BOOK SHOP is unique in that the services offered its customers make it an outstanding center in the book world. A few of our services are listed:

TRANSLATIONS

A complete translation service into English of any foreign technical article; or paper—if none is available, our translation department will have one made at a reasonable cost.

TECHNICAL BOOKS

A complete service is offered on all technical books, not only from the usual publishers but all technical societies and industrial firms. This department is organized to cope with any possible request.

IMPORTS

Books are ordered daily from all parts of the world. Our import service is excellent and all requests are accurately handled.

OUT-of-PRINT BOOKS

We make every possible attempt to acquire any book that has ever been printed. Our advertisements cover all American and European markets.

SUBSCRIPTION SERVICES

This department handles any type of order, such as THE JOURNAL OF THE PHYSICAL SOCIETY OF JAPAN, the Russian, USPEKHI KHIMII, BRITISH PLASTIC, or the German, NATURWISSENSCHAFTEN.

OUR BOOK STOCK

Every effort is made to maintain an excellent stock as possible on all the new books; fiction, non-fiction, technical, including all the new quality paper-backs.

CHILDREN'S BOOKS

This department has recently been enlarged to give our customers the opportunity to select quality items as their needs arise.

RENTAL LIBRARY

All the new fiction and mysteries are made available for rental to our customers at a few cents a day.
