SORH NB MILL

BEAVER STADIUM SEATING CHART: All freshmen and sophomores will sit in the horseshoe portion (north end) of Beaver Stadium at home football games this fall. Seating for juniors will be partly in the horseshoe and partly in section EJ. Seniors and grad students will be seated in sections EH, EG and EF, roughly from the 10 yard line to the 40 yard line. Blug Band members will be seated in the blue-painted seats between the 10 and 20 yard lines. The Block "S" flashcard section will be located in parts of sections EG and EF.

Both Universit smoothly to Beaver Stadium to— Local traffic should follow these ficials are urging day as an expected crowd of 40,000 turns out to see the Nittany Lions open the season against Navy.

Traffic and pedestrian control plans will go into effect at 10:30 a.m., three hours before game time, to handle an early onrush of fans, according to State College Chief of Police John R. Juba. He said that no major changes had been made in the traffic pattern since last year.

JUBA URGED that fans get an early start to the game to allow plenty of time to get to the proper parking lot near the stadium.

The changes from normal regulations which will be in effect until traffic congestion is allevi-ated after the game include the following:

E. Park Avenue, E. Foster Avenue and S. Pugh Street will be one-way in the direction of the stadium before the game and oneway away from the stadium after the game.

No parking will be permitted between 10 a.m. and 5 p.m. on sections of Foster Avenue and High, Holmes and S. Pugh Streets. Access to Beaver Stadium will

be by three main routes -Park Avenue, University Road and Porter Road — in an effort to keep football traffic separated as much as possible from central campus and normal borough traf-

No automobile access to the stadium will be available from

LaVie Exhibit Featured In Pattee Library Foyer

La Vie, the senior class yearwent.

Mikulak said that the council, in the foyer of the Pattee Library. Copies of the book, including the first volume published by the alls on campus, decided to spon-class of 1890 in 1888 and also the latest edition, published last May by the class of 1962, are featured

in the display.

La Vie was started as a publisenior class.

Local traffic should follow these

routes to the stadium:

• From College Heights and other northern areas use E. Park Avenue, which will have two-lane

From the area south of Beaver venue and east of S. Atherton Street use S. Pugh or S. Garner Streets to E. Foster Avenue and from there to University Road.

• From the area south of College Avenue and west of S. Atherton Street, use E. College Avenue to Atherton, turn left on N. Ather-

Special traffic patterns put into central campus roads. Curtin Road turn right from Benner Pike on

Both University and borough officials are urging fans to avoid the intersection of Shortlidge Road and College Avenue, since this is the major bottleneck for local traffic. There is no access to the stadium via Shortlidge Road.

TRAFFIC AFTER the game will be directed to the same roads which were used for access to the Stadium. Because of one-way traffic on many roads and streets, using other routes to return will be extremely difficult, officials said.

State, borough and campus police will be involved in traffic ton, turn right on E. Park Avenue. control, and special radio com-From Lemont, Bellefonte and munication systems are expected other points east of the borough, to help prevent traffic jams.

Corps of 110 Midshipmen To Perform at Game Halftime

Drum and Bugle Corps, consisting Lt. Cmdr. Max E. Corrick. of 110 midshipmen, will perform during the halftime of the Navy-Penn State football game Satur-

day at Beaver Stadium.
The Corps of Midshipmen, directed by Mid. Ben D. Redd of Logan, Utah, will also march in a pre-game parade in the stadium.

pre-game parage in the statium.
The halftime performance of the Drum and Bugle Corps will begin with "Anchors Aweigh."
The corps will also play the "Marine Corps Hymn" and two concert numbers. One concert numbers will be directed by Mid. selection will be directed by Mid. Richard H. Danoff of Muskegon, Mich., and the other by Mid. Redd.

The corps, which consists of midshipmen from all four classes of the academy, compose, perform and direct all their programs with musical assistance from Chief Petty Officer R. C. Kitt. They also receive administrative assistance
