

# House Passes Reserve Callup Bill

WASHINGTON (AP) — The House passed and sent to President Kennedy yesterday a bill authorizing him to mobilize 150,000 reservists if the situation in Cuba or elsewhere grows more threatening.

The measure was passed by a 341-13 roll call vote after several Republicans questioned its value. On the final tally 131 Republicans joined 211 Democrats in support of the measure. Against it were 2 Democrats and 11 Republicans.

**DEMOCRATIC LEADERS** urged the House to give Kennedy what he asked for to strengthen his hand in dealing with limited emergencies while Congress is in adjournment.

The House responded by shouting down a series of amendments and passed the bill in exactly the same form as it cleared the Senate a week ago last Thursday.

**REP. GERALD R. FORD, R-Mich.**, protested that this legislation will have as much impact on Mr. Khrushchev as a single leaf falling in a mighty forest." He

protested enlarging its callup authority from 150,000 to one million men but his amendment was defeated.

The House also rejected an amendment proposed by Ford under which the reserves called up would be limited to those in the Air Force and Navy.

**REP. BRUCE ALGER, R-Tex.**, who described the bill as "a political gesture," sought unsuccessfully to knock out the section giving the President authority to call up reserves. This would have left

only a second provision empowering the chief executive to extend present enlistments and duty tours for men now in service.

By passing the bill in the same form that it cleared the Senate, the House avoided the necessity of a Senate-House conference to iron out differences.

The bill, which Kennedy said he wants to help deal with less than all-out emergencies while Congress is in adjournment, passed the Senate unanimously on Sept. 13.

## 49 Survivors Rescued from Crash

LONDON (AP) — A Swiss freighter rescued 49 American plane crash survivors from the storm-lashed Atlantic yesterday. Hope for the 14 still missing faded rapidly after dark. The 13 others aboard the downed plane were reported dead.

A spokesman at the U.S. Air Force Base at Prestwick, Scotland, said 11 bodies had been taken from the churning seas and two others had been sighted but not recovered.

In all, there were 76 persons aboard the chartered Flying Tiger Line airliner that ditched in the North Atlantic Sunday night with its load of American servicemen and their families on a flight to Germany.

A Royal Air Force officer at Plymouth said it was almost certain that four of the six life rafts had been accounted for and that the two others probably were destroyed.

## Guido Receives Support From Argentine Navy

BUENOS AIRES (AP) — President Jose Maria Guido, asserting his new-won authority after a military upheaval that jolted the nation, demanded and received yesterday a pledge of support from navy forces whose allegiance had been shrouded in doubt.

At the same time, Guido named as army secretary retained Gen. Benjamin Rattebach, 66, outspoken but widely respected artillery officer who champions the line that the military should stay out of politics.

# College Board to Allow Enrollment of Meredith

NEW ORLEANS, La. (AP) — Under threat of court contempt, the Mississippi State College Board yesterday agreed to enroll James H. Meredith, a Negro, in all-white University of Mississippi.

The 5th U.S. Circuit Court of Appeals set a 4 p.m. deadline today for his registration.

Meredith would be the first Negro admitted as a student at Ole Miss in its 114 years of existence.

**THE BOARD** offered to register Meredith at Jackson, the Mississippi State capital which is 150 miles closer to New Orleans than is the University of Mississippi campus at Oxford.

Meredith's attorneys agreed. But these agreements did not

take into account Gov. Ross Barnett of Mississippi, who has sworn to go to jail rather than enroll a Negro in a Mississippi school.

During the day, when the college board was being forced into action, Barnett did these things:

● Got a state court order forbidding university officials from enrolling Meredith and Meredith from trying to enroll.

● Issued an executive order which requires state police to arrest anyone who tries to arrest or fine a state official.

Just before the long hearing in New Orleans ended, the Mississippi Highway Patrol announced a 24-hour standby alert. It didn't say why.
