

Registration Set for Adult Ed Classes

Registration for adult classes in home and family living and recreation will be held from 7:30 to 9 p.m. today and tomorrow in the State College Junior High School gymnasium.

Included in the approximately 50 programs offered will be classes in bridge, typing, photography,

landscaping, languages and dancing. Fees for instruction will vary according to the class. Most classes will begin the first week in October.

The classes were planned by the College of Home Economics, the State College Area Schools and the State College Park and Recreation Board.

Finance, Investment Clubs to Hold Joint Meeting

The Finance and Investment Clubs will hold a joint organizational meeting at 7:30 tonight in 212 Hetzel Union Building.

The purpose of the Investment Club is to educate its members in sound investment principles. Each month members of the club analyze stocks in a pre-selected in-

dustry and then decide if they want to purchase any of the stocks. At each meeting the members put \$2 into shares of the club. This money is used to purchase the stocks analyzed. New members will be taught how to analyze a stock, according to George Cole, president of the club.

The Finance Club will have speakers at most of its meetings and is planning a trip to New York City where members will visit the stock exchanges and several large banks. All students are invited to attend the meeting and new members should also be present, Cole said.
