

# Galardi, Gursky, Ricevuto Doubtful for AF Contest

By JOHN MORRIS  
Sports Editor

The Jack Hulme Training Room at Old Beaver Field is usually a busy place, but business has really been booming the past few days.

The training room, situated between the team dressing room and the coaches locker area in the long row of low buildings next to the practice field, is the domain of big Chuck, Eddie, Jim and Willie—Penn State's fine corps of trainers.

Therein head trainer Chuck Medlar and his staff work the wonders that allow Penn State to field a football team on Saturdays.

A steady stream of muscular athletes flows through the training room both before and after practice. Medlar and his cohorts treat everything from Pete Liske's sore toe to Gary Wydman's seriously twisted knee.

Saturday's opening day win over Navy added three more visitors to the training room.

**TEAM CAPTAIN** and center Joe Galardi, halfback Al Gursky and kicking specialist Charlie Ricevuto, were injured in the course of the Lions' 41-7 victory. All three are on the doubtful list for this week's game with the Air Force Academy.

"They are coming along all right," Medlar said yesterday as the Lions were winding up practice under dreary grey skies, "but we'll just have to wait and see about Saturday."

Galardi, with a twisted knee, sat out yesterday's practice altogether. Gursky, sprained knee heavily taped, and Ricevuto, his sprained ankle bulging out over the top of his right shoe, were relegated to spectator status.

If Galardi is unable to play,

second unit center Ralph Baker will move up to his spot.

The kicking chores will probably fall to Dave Robinson on kickoffs and Ron Coates on extra points if Ricevuto is sidelined. Converted fullback Tom Urbanik has been running in Gursky's left halfback slot on the Reddy unit.

Quarterback Gary Wydman and guard Bob Hart have suffered the most serious injuries this fall.

**WYDMAN WAS** considered a top contender for the quarterback

job when fall drills opened, but twisted knee ligaments have sidelined the soft-spoken junior, perhaps for the whole season.

Hart, counted on as a guard on the Reddy unit, has been out almost all fall with an injured knee. He sat out most of last season with an injury to his other knee, but that one is now sound.

Quarterback Don Caum, the number one signal-caller before the start of the fall drills, has been hampered by a series of injuries all fall.

Just recovering from a twisted shoulder, he was limited to defensive duty and a token appearance on offense Saturday. The small junior is still nursing a pulled leg muscle.

Reddy unit tackle Terry Monaghan is slowed by a bruised instep, but should be ready to go Saturday.

In addition, Roger Kochman still has a pulled groin muscle that he "just can't seem to shake."

# Liston Crowned Champ; KO's Patterson in 2:06

CHICAGO (AP) — Sonny Liston, an immense hulk of a man with an unsavory past, became the new heavyweight boxing champion of the world last night by knocking out Floyd Patterson with a stunning left hook to the jaw in 2:06 of the first round.

The flash ending came as a surprise to the stunned crowd at Comiskey Park because it was the first real solid punch of the fight.

Not since Rocky Marciano stopped Jersey Joe Walcott in the first round in a Chicago defense in 1953 had a heavyweight title fight ended with a first-round knockout.

This was the third fastest of the nine first-round KO's scored in this division's title history and only two seconds more than Joe Louis required to drop Max Schmeling in their historic rematch in 1938.

The fastest knockout in heavyweight title history was the 1:28 by Tommy Burns over Jem Roche in Dublin, March 17, 1908.

Liston, carrying a weight advantage of 25 pounds, had dominated the early moments of the bout before he pulled the trigger on the left hook.

Patterson ran into the flash left hook from this hungry, menacing man from Philadelphia by way of Pine Bluff, Ark., and St. Louis. Down went the 27-year-old defending champ, wearing a look of complete surprise.

Floyd still was trying to get up when referee Frank Sikora signaled the knockout.

Liston's corner crew jumped jubilantly into the ring, hugging the new champ who has a checkered background of many losing bouts with the law. Liston rushed over to Patterson's corner, obviously concerned that he might have hurt Floyd.

### Downes Over Sugar Ray

LONDON (AP) — Britain's Terry Downes, former holder of part of the world middleweight title, outpointed Sugar Ray Robinson of New York in a 10-rounder at London's Indoor Wembley Stadium last night.

Downes, 26, hustled Robinson from the start and the veteran American, five times middleweight champion of the world, had no real answer to the tough Briton.

Robinson, 42, weighed in at 159 pounds and Downes at 161. The verdict of Referee Andrew

Smythe was booed by a section of the sell-out 14,000 crowd. But this was largely due to a tremendous rally in the last round when Robinson, realizing he was hopelessly behind on points, threw everything into an all-out effort to knock out Downes.

The Associated Press card showed Robinson winning only the first round with Downes taking the other nine.

Robinson, who finished with an inch-long cut over his left eye, said in the dressing room later that he would like a return with Downes. He admitted that his corner had used oxygen between rounds toward the end of the fight.

## Alabama Tops Football Poll

ATLANTA (AP) — Alabama's Crimson Tide is off to a roaring start in defense of its national football championship, taking the No. 1 rating away from Ohio State, the pre-season choice.

But according to Coach Paul Bryant, Alabama isn't roaring, the team isn't sensational, and it's not the kind of a football team he expects to have by the end of the season.

All of which is Bryant's way of saying the fellows are going to have to work to keep the reputation they've acquired.

Of the No. 1 choice, Bryant said at Tuscaloosa, Ala., "That's just fine with me. I'm tickled to death."

Then he added:

"Really, I'm not interested in polls right now. My main interest is to get our injured people well and develop the type of team the people seem to expect us to have."

A dramatic varsity debut by sophomore quarterback Joe Na-

math sparked Alabama to a 35-0 triumph over Georgia last Saturday night in the season opener.

Alabama trailed second-place Ohio State 19-14 in first-place votes cast by The Associated Press nationwide board of electors, but had a 341-298 edge in points.

Next in the top ten came Texas, Penn State, Louisiana State, Michigan State, Mississippi, Georgia Tech, Southern California and Missouri.

Texas, the third choice in the poll, put on a 22-point drive in the second half to beat Oregon 24-13.

Penn State beat Navy 41-7, Louisiana State defeated Texas A&M 21-0, Mississippi beat Memphis State 21-7, and Georgia Tech downed Clemson 26-9, Southern Cal upset Duke 14-7, and Missouri beat California 21-10 with sophomore Johnny Roland scoring all three Tiger touchdowns.

Michigan State and Ohio State, don't begin play until this weekend. The Spartans meet Stanford.
