 thing," Engle said.
 The temperature will probably be in the high 70s at kickoff tomorrow night, but there is no way of measuring how much damage the humidity will do toward wilting the Lions.

State suffered in the heat at Miami last year, falling apart in the second half and losing to the Hurricanes, 25-8.

RICE COACH Neely will probably go with the same lineup the Owls used last week against LSU. That would have McReynolds at quarterback, Jerry Candler and Gene Fleming as the halfbacks and Paul Piper at fullback. All are sophomores, except Candler, who is a twice-lettered senior. The line has Raesz and John Sylvester at the end spots, Mims and Larry Stewart at tackle, Will Jay Hubbard and Johnny Nichols as the guards and Dan Melin at center.

Neely may have an ace in the hole in quarterback Randy Kerbow. Kerbow was expected to take over the first string quarterback job when regular signal-caller Billy Cox broke his wrist, but a knee injury to Kerbow gave McReynolds his big chance last week.

Kerbow led the Owls in passing last year and can play either quarterback or wingback. His

knee is sound again and he could give the Lions a peck of trouble if McReynolds falters.

Neely is a master at getting a team "up" for a game and the Owls appear to be orbiting for this one.

Typical of the Neely outlook is the statement, the veteran Owl coach made about his team's showing at LSU:

"We went over there to whip them," Neely said, "and we were disappointed in a tie game."

Harriers Battle Pitt In Dual Meet Opener

By JOE GRATA

Penn State's cross country squad receives its 1962 baptism in competitive ranks today at Pitt in the first of four scheduled dual meets.

The Lion delegates will tangle with the Panthers at spacious Schenley Park—the mile-square Skyscraper U. playground surrounded by a maze of city streets, the Pitt golf course, several small roads and a canyon-like gorge called Panther Hollow.

Pitt boasts a dual-meet record of 1-0 as a result of a 22-33 win over Slippery Rock State College Sept. 22.

Junior Larry Robinson, the first man to break the tape on the 4.2-mile Schenley Park course in the opening meet, is heralded as the Panthers' strongest runner.

COACH JOHN LUCAS hopes to counter Pitt's attack with a two-pronged strategy consisting of a lead pace-setting group and a secondary division.

"It will be the responsibility of Captain Howie Deardorff, Colin Grant and Dick Lampman to lead or to run with the leaders," Lucas said earlier this week. "There's a possibility that Lionel Bassett and Joe Nichols may join this first attack group."

Lucas, who will be making his debut as coach of State's harriers, explained that it will be the job of his second division to block Pitt from finishing in the higher positions.

Grant and Lampman, sophomores, will be competing in their first intercollegiate varsity meet.

THE PAIR were moved to the first division after promising practice times.

Bassett, a two-year letterman, is "gradually moving up the ladder to the height of his potential," according to Lucas. Nichols won a monogram as a sophomore and has likewise demonstrated encouraging improvement.

Letterman Ted Imswiler is expected to head the key second division which includes senior Dick Tuft, Bill Hibschan, Gary Riser, and Mike Sheedy.

The Nittany runners combined many new techniques and exercises with older ones during pre-season workouts and seem to be in top physical condition.

ACCORDING TO Deardorff, this year's team "seems to possess much more spirit than former ones."

Last year's distance runners posted a respectable 4-1 record losing only to Michigan State, 27-28.

The Nittanians failed to retain the 1960 ICAA championship, finishing runner-up to the same Spartans.

Next Saturday, the Lions travel to Cornell before returning home for engagements with Michigan State and Navy.

Giants Win, 2-0, Behind Sanford To Even Series

SAN FRANCISCO (AP)—Jack Sanford overpowered the New York Yankees with a three-hit, 2-0 shutout yesterday as the San Francisco Giants squared the World Series with the New York Yankees at one game each.

steal it, in blanking the defending world champs for the first time in Series play since Milwaukee's Warren Spahn did the job, Oct. 5, 1958.

A tremendous 450-foot home run in the seventh by Willie McCovey, playing first base in place of the slumping Orlando Cepeda, gave Sanford an insurance run to back up the run the Giants got off Ralph Terry in the first.

Until McCovey slammed his towering drive over the right field fence, it appeared the first run would decide the game. Chuck Hiller, leading off for the Giants, drove a long fly ball to right field on Terry's second pitch. Roger Maris raced after the ball and got it in his glove but couldn't hold it as he rammed into the right field wall.

Hiller wound up on second base with a double. Felipe Alou moved Hiller to third with a sacrifice and Matty Alou, his kid brother, grounded to Bobby Richardson, Hiller scoring on the play.

Terry also had matched Sanford with a fine pitching job until McCovey hit his homer.

Booters Open at West Chester

By IRA MILLER

Al Shuss will be in the nets this afternoon when the Penn State soccer team opens its 1962 season at West Chester.

Shuss was one of five seniors named to the starting lineup by coach Ken Hosterman. The others were captain Jay Stormer, Ken Link, Harry Kottcamp and Val Djurdjevic.

The Lions, who haven't had a winning season since 1958 and haven't beaten West Chester since 1955, today will be up against a team with a 15-game winning streak. The Rams, who were NCAA champions last year, beat their alumni, 4-3, last week in their only game to date.

Tom Flanagan, sharp-shooting Lion forward, was a surprise choice to start. He's been suffering from a severely bruised instep and as late as Wednesday wasn't even expected to make the trip. He'll be at inside left.

The remainder of the line will have Ted Jones and Al Schattschneider on the wings, Djurdjevic at inside right and John Katona at center.

Stormer will line up at halfback with Ray Dacey and Harry Kline while Link and Kottcamp will man the fullback posts.

Other Lions making the trip were forwards Norm Alan, George Berzkalans and Ed Hinojosa, along with halfback Dieter Heinz and fullback Bill Manke.

Shuss, who outbattled Stu Ross for the goalie's slot, has never before played in a collegiate game. However, neither has the West Chester goalie, John Strode.

Two-time West Chester all-America center Don Williams is a doubtful starter because of family responsibilities. He has scored 18 goals in two seasons.

Among the other Ram vets are co-captains Bill Killen, center halfback, and Bruce Young, right inside.

The Lions and Rams have met nine times with West Chester winning six, State taking two and the two teams tying once. Despite the record, Hosterman thinks his team can pull a big upset today.

"If we can do it if we play like we did Wednesday night (the Lions' last full-scale practice)," he said.

Captain Stormer and the Lions appear also to have conquered their injury jinx. This is the first time in four seasons that State opens at full strength.

For the last three years, the Lions opened and played two or

three games before their captain was available. In 1959, captain-elect Bill Fiedler didn't even return to school. "But this year, everyone's ready to play."

"The morale is good right now, particularly after that last good scrimmage," Hosterman said. "I think they're ready right now."

"If we can play two halves like we did in the second half last year, we'll beat them."

In that second half a year ago, the Lions completely dominated the play while holding West Chester even, 1-1. The Rams had led at the half, 3-0.

The probable lineups:

PENN STATE	WEST CHESTER
Al Shuss	G John Strode
