THE BROWSE

ATTENTION — All coed fans of the Joan Walsh Anglund books — LOVE IS A SPECIAL WAY OF FEELING and A FRIEND IS SOMEONE WHO LIKES YOU — Charles Schulz, creator of the Peanuts comic strip has just brought out a new book called, HAPPINESS IS A WARM PUPPY. This colorfully printed little book offers definitions of happiness from all the characters in the Peanuts strip. It would make an ideal gift for a sorority sister or roommate.

For the young brother or sister at home who has a birthday coming up, may we suggest the "Nutshell Library." This library consists of four tiny volumes written and illustrated by Maurice Sendak. Each book measures only 2 3/4" x 3 3/4" so they may easily be held by the small child. There is a volume on counting, one on the months, another on the alphabet, and the final one is a cautionary tale. These books will long be treasured by both the young and old.

May we remind you that we stock the paperback EVERGREEN and NEW DIRECTION lines. These two series specialize in avant-garde writing. If you want to keep up with what is new and experimental in writing be sure to examine both of these lines the next time you come in.
