

Theta Xi Tramples Phi Sigma Kappa; AGR Wins on Last-Second Field Goal

By JIM BUKATA

Theta Xi stamped itself as one of the top contenders for the IM football crown with an easy 20-0 win over Phi Sigma Kappa in the mud last night at the golf course.

With Marlin Biesecker at the controls, the winners rolled their scoring total to 48 points in two games. Last week they shut out Alpha Phi Delta, 26-0.

Biesecker tossed two touchdown passes and scored another on a 40-yard punt return.

A 40-yard field goal by Russ Mitchell with one second remaining gave Alpha Gamma Rho a 3-0 win over Alpha Epsilon Pi.

Mitchell's kick sailed through the air, hit the cross bar and bounced over for the margin of

victory. RICH BRONNER was the big offensive gun in Beta Sigma Rho's 21-0 win over Sigma Tau Gamma. Bronner passed for two scores and ran a six-pointer over on a nine-yard rollout.

Delta Upsilon bounced back from its overtime loss to Theta Chi with a 12-0 win over Phi Kappa Psi.

Ed Giegucz threw two three-yard passes to Al Magnota for the scores.

Alpha Tau Omega struck early for two touchdowns then coasted

to an easy win over Pi Kappa Phi, 20-0.

The winners took the opening kickoff and drove the length of the field for a score on a 12-yard pass from Jim Conners to Dick Evans. Moments later, Conners picked off a Pi Kappa Phi pass and rambled 40 yards for the TD. Conners teamed up with Evans again in the second half on a 55-yard pass-run play.

Sigma Phi Epsilon pushed over an early tally against Zeta Beta Tau and then hung on for a 7-0 win.

Liston Ducks Committee Hearings

PHILADELPHIA (AP) — Heavyweight champion Sonny Liston refused yesterday to appear before a New York state legislative committee investigating professional boxing.

Liston, through a telegram signed by his attorney, Morton Witkin, denied previous testimony by another heavyweight boxer, Cortez Stewart, that Frank (Blinky) Palermo asked Stewart to be a sparring partner for the champ before his one-round kayo of Floyd Patterson Sept. 25 in Chicago.

Palermo last year was described by a U.S. Senate committee as a member of an under-

world syndicate that controlled Liston's boxing destiny.

Witkin wired the New York Joint Legislative Committee, seeking to determine whether boxing should be outlawed in the nation's biggest state, that Liston never had any conversation with Stewart, nor authorized any other person to speak with him, directly or indirectly.

Liston wanted to attend the World Series in New York's Yankee Stadium this week, but Witkin made him stay home because of the possibility of being served with a committee subpoena.

The attorney said Liston wasn't afraid to testify.
