

## Parade Planned For Army Win

A motorcade to celebrate a victory over Army will leave from East Halls after the football game tomorrow afternoon if the Lions win, David Rasmussen, after-game committee chairman, said.

Students and cars may join the motorcade along the route. The cars will be moving slowly so the parade should take about a half an hour, he said.

Campus Patrol and State College Police will provide cars to lead the parade and will have patrolmen at intersections to direct traffic, Rasmussen said.

If the parade is successful, it will become a permanent event after every away football victory, he said.

Also, the Block "S" club will sponsor a "Welcome Home, Team" reception at 9:30 tonight at Recreation Building.

### Election Changes Given

George Jackson, elections commission chairman, announced the following changes in the college council elections yesterday. Don Morabito was added to the Liberal Arts Student Council and Fred Skurka was added to the Education Student Council. Cheryl Silverberg will replace Toni Townsend on the Education Council.

### 'Life Begins' Exhibit Opens

"Life Begins" is the subject of an exhibit displayed on the first floor of Home Economics South as a part of the instructional program of the Department of Child Development and Family Relationships.
