

# Theta Xi Wins Third Straight Game; Theta Chi Upset by Phi Kappa Psi

By ED CARPENTER

A good offense coupled with a strong defense were put together last night by Theta Xi in soundly defeating Sigma Tau Gamma, 13-0, in IM football action at the golf course fields.

After having two touchdowns called back early in the first half on account of penalties, Theta Xi, behind the quarterbacking of Marlin Biesecker, scored with 48 seconds to go in the half.

The touchdown was set up on an interception by Ted Roush on Sigma Tau's 22.

ON THE first play Biesecker threw to Jerry Trexler for the six-pointer.

Midway through the second half, Theta Xi scored their second TD on a 60-yard march. The drive was culminated on a 12-yard pass from Biesecker to Mike Miller.

THETA XI's defense which as yet has not been scored on in three games failed to yield even a first down to Sigma Tau Gamma.

In the upset of the evening Phi Kappa Psi shutout Theta Chi, the team which defeated DU two weeks ago, 7-0. The lone tally of the game came on a 60-yard pass play from Tom Ferguson to Dean Wharton.

In other action Ed Giegucz led his Delta Upsilon team to a 13-7 victory over Alpha Gamma Rho.

Scoring was opened up early when DU's Dick Frick intercepted a pass and scampered 22 yards for a score.

The next score came early in the second half when DU's George Cim recovered an AGR fumble on the kickoff. Three plays later a 20-yard aerial from Giegucz to Frick netted DU another six points. The PAT failed.

MIDWAY through the half AGR broke into the scoring column on a two-yard pass from Russ Mitchell to Harry Weigner. The play highlighted a 42-yard march by the losers.

THETA XI'S Jerry Burgess waits all alone for a pass from Marlin Biesecker in last night's game with Sigma Tau Gamma. Theta Xi won 13-0 to remain unbeaten and unscored upon.

In other golf course action Phi Sigma Kappa whitewashed Alpha Phi Delta, 25-0; Zeta Beta Tau blanked Beta Sigma Rho, 6-0; Alpha Tau Omega squeaked by Alpha Epsilon Pi, 1-0; Birch, remaining undefeated, edged Larch, 14-9; Jordan I, beat Poplar, 1-0; and Locust defeated Hemlock, 14-7.

Eight shutouts highlighted action at the stadium fields. Nittany 39-40 over Jefferson, 6-0; Elk 12, Indiana 0; Lawrence 7, Somerset 0; Armstrong 13, Frank-

lin 0; Butler 21, McKean 0; Nittany 36-7 7, Nittany 35-6 0; Crawford 1, Carbon 0. Also Nittany 43-4 outlasted Nittany 33-4, 10-7 and Columbia upended Bradford, 20-6.

# Egli Voices High Optimism

By JIM BUKATA

Optimism is a word that few coaches have in their vocabulary, but State basketball coach John Egli feels that this could be a banner year for his cagers.

"I can't see any major problems at the present time," Egli said. "All we need to do is iron out our flaws with hard work at the practice sessions."

Basketball practice got underway last night at Rec Hall and Egli, beginning his 9th year as head coach, was greeted by 23 candidates.

"This is the first time since I've been here," Egli said, "that I've had so many capable prospects." The Lions, who posted a 13-12 season last year, lost only center Gene Harris and forward John Phillips from the squad.

HARRIS WAS the leading scorer with an 18.5 average and the leading rebounder. Phillips, who didn't join the squad until late in the season, was a vital cog on a squad that was depleted by injuries and ineligibility.

The Lions will be bolstered by the return of seven lettermen, a good crop of sophomores and some transfer students.

Above all, Egli was quite pleased about the opening night showing of his sophomores.

"You know," he said, "it's quite

possible that three of the boys could start in our opener at Maryland."

The Lions kick off their 22-game schedule at College Park, Dec. 1.

Sophomores who caught Egli's eye were 6-6 Terry Hoover, 6-5 Ron Avillion and 6-2 Bob Weiss.

Avillion was one of the leading scorers on last year's freshman squad. Both Weiss and Hoover were ineligible.

"NO ONE is assured of a starting berth," the Lion mentor said. "Even our co-captains John Mitchell and Earl Hoffman will have to earn the starting job."

In addition to the co-captains, Egli has Bob Hutchinson, Ulo Kart, Chuck Marin, Ken Staub and Bobby Donato around which to build the nucleus for the squad.

The "sleeper" on the squad appears to be 6-5 Tom Malinchak. He is a transfer student from St. Vincent's, and although he never played high school ball, the tall forward looked good at last night's practice.

Another darkhorse for a starting berth could be 6-3 Jim Broadhurst, a member of last year's freshman squad.

Other members of the squad are Dick Noe, Howard Garelik, Paul Eck, Dan Carn, Lewellyn Ritchie, John Ludwig, Chuck Fuminsky, Don Winch, Craig Jones, Bill Ewing and Rich Brenner.

## Why Can't You Remember

A noted publisher in Chicago reports there is a simple technique for acquiring a powerful memory which can pay you real dividends in both business and social advancement and works like magic to give you added poise, necessary self-confidence and greater popularity.

According to this publisher, many people do not realize how much they could influence others simply by remembering accurately everything they see, hear, or read. Whether in business, at social functions or even in casual conversations with new acquaintances, there are ways in which you can dominate each situation by your ability to remember.

To acquaint the readers of this paper with the easy-to-follow rules for developing skill in remembering anything you choose to remember, the publishers have printed full details of their self-training methods in a new book, "Adventures in Memory," which will be mailed free to anyone who requests it. No obligation. Simply send your request to: Memory Studies, 835 Diversey Parkway, Dept. 3757, Chicago 14, Ill. A returned will do.

The classic tennis sweater

Styled in the authentic tennis tradition and favored by champions from Wimbledon to California—the ever-popular cable-stitch sweater. Complete with the classic, full fashioning that the tennis crowd demands: wide expanse of collar, two-tone trim, rugged look. A big beauty of a sweater.

\$18.95

## Our future is in the hands of men not yet hired

At Western Electric we play a vital role in helping meet the complex needs of America's vast communications networks. And a career at Western Electric, the manufacturing arm of the nation-wide Bell Telephone System, offers young men the exciting opportunity to help us meet these important needs.

Today, Western Electric equipment reduces thousands of miles to fractions of seconds. Even so, we know that our present communications systems will be inadequate tomorrow; and we are seeking ways to keep up with—and anticipate—the future. For instance, right now Western Electric engineers are working on various phases of solar cell manufacture, miniaturization, data transmission, futuristic telephones, electronic central offices, and computer-controlled production lines—to name just a few.

To perfect the work now in progress and launch many new communications products, projects, procedures, and processes not yet in the mind of man—we need quality-minded

engineers. If you feel that you can meet our standards, consider the opportunities offered by working with our company. In a few short years, you will be Western Electric.

Challenging opportunities exist now at Western Electric for electrical, mechanical, industrial, and chemical engineers, as well as physical science, liberal arts, and business majors. All qualified applicants will receive careful consideration for employment without regard to race, creed, color or national origin. For more information about Western Electric, write College Relations, Western Electric Company, Room 6206, 222 Broadway, New York 38, New York. And be sure to arrange for a Western Electric interview when our college representatives visit your campus.

Principal manufacturing locations at Chicago, Ill.; Kearny, N. J.; Baltimore, Md.; Indianapolis, Ind.; Allentown and Laureldale, Pa.; Winstan-Salem, N. C.; Buffalo, N. Y.; North Andover, Mass.; Omaha, Neb.; Kansas City, Mo.; Columbus, Ohio; Oklahoma City, Okla.; Engineering Research Center, Princeton, N. J. Teletype Corporation, Skokie, Ill., and Little Rock, Ark. Also Western Electric distribution centers in 33 cities and installation headquarters in 16 cities. General Headquarters: 195 Broadway, New York 7, N. Y.
