

# Justice Department Asks Court to Fine Barnett

NEW ORLEANS, La. (AP)—The Justice Department asked the federal appeals court yesterday to fine Mississippi Gov. Ross R. Barnett \$100,000 for defying court orders in the desegregation case of James H. Meredith.

In addition, the Justice Department asked for future fines of \$10,000 a day until the governor satisfies the court that he is complying with the court's orders.

**THE COURT HELD** Barnett and Lt. Gov. Paul B. Johnson Jr. in contempt for blocking the enrollment of Meredith, 29, at the University of Mississippi. But the court put off imposing any penalties to give them a chance to purge themselves of the contempt.

In its brief submitted to the 5th U.S. Circuit Court of Appeals,

the Justice Department said the United States "has suffered immense financial as well as other harm" from Barnett's defiance of court orders in the historic case.

**THE GOVERNOR** still has not "fully" purged himself of civil contempt, the Justice Department said, even though Meredith now is enrolled as a student at Ole Miss.

The proposed order drafted by the Justice Department named Barnett as an individual, with no reference to his title. It remained in question whether any fine—if imposed—would have to be paid by Barnett personally, or whether the state could pick up the tab.

The Justice Department's proposal made no mention of the lieutenant governor.

An attorney for the National

Association for the Advancement of Colored People urged the court to order the arrest of both Barnett and Johnson.

Constance Baker Motely, chief of the NAACP legal team, said both should be held in custody of the U.S. attorney general until they comply with the court's full integration order.

When Meredith came onto the campus Sept. 30, riots brought two deaths and injured scores more.

To show full compliance, the court had instructed Barnett to notify all law enforcement officers and other state officials to:

- Cease all resistance and interference with Meredith at Ole Miss.
- Maintain law and order in the campus area.
- Cooperate with court officers to see that Meredith remains a student.

In event of failure to comply, the court earlier set possible penalties at \$10,000 daily fines and jail for Barnett and \$5,000 daily fines for Johnson.

# Gomulka, Ulbricht To Confer on Berlin

BERLIN (AP)—Wladyslaw Gomulka, Poland anti-Stalinist Communist leader, arrived yesterday for a week-long unity visit with Walter Ulbricht, the head of the East German Communist regime and one of the chief holdovers from the Stalinist period.

Gomulka went right down the Communist line on Berlin in his arrival speech. He denounced "uninterrupted provocations" which he said came from West Berlin.

"That is why we are fighting," he said, "for a peace treaty with Germany, in order to do away with lawlessness in the form of the remnants of the occupation regime, in order to solve the West Berlin problem by turning West Berlin into a free, demilitarized city."

Gomulka arrived with Premier

W. Gomulka

Josef Cyrankiewicz by special train at what used to be called the Silesian station. The Communists renamed it East Station because the former German province of Silesia has now been incorporated into Poland.

Gomulka embraced Ulbricht and Cyrankiewicz kissed the German leader on both of his bearded cheeks. They inspected a steel-helmeted, jack-booted honor guard while a band played old Prussian marches.

After a visit to party headquarters and two wreath-layings, the East German and Polish leaders went into conference.

**THE VISIT** is widely regarded as the Communist answer to the popular trip of President Charles de Gaulle of France to West Germany last month. The Poles are sometimes considered the "historic enemy" of Germany in the east as is France in the west.

# Ike Campaigns for GOP In New England States

BOSTON (AP)—Former President Dwight D. Eisenhower made a campaign swing into New England yesterday and said America "desperately needs" Republican administration in states and communities.

In a 10-minute speech at Hartford, Conn., before flying to Boston for a \$100-a-plate birthday dinner, Eisenhower criticized what he called "sophisticated nonsense" from the crisis in Washington.

The former president was 72 Sunday.

The dinner is expected to pull half a million dollars into the campaign chest of Massachusetts Republicans.

Shortly before the former president was to speak, it was disclosed that \$70,000 in checks and cash—representing collections for the fund-raising dinner—had been stolen from GOP state headquarters.

Most of the theft, some \$60,000 in checks, was found in a garage in Boston's West Roxbury section. Police said the robbery apparently occurred over the weekend.

D. D. Eisenhower

Eisenhower flew from Hartford to Logan International Airport in Boston where he was met by Republican Gov. John A. Volpe and Massachusetts GOP Sen. Leverett Saltonstall.

As he rode through downtown streets en route to his hotel, shopping crowds waved and called greetings to Eisenhower. He in turn waved to them and heard calls of "We like Ike" and "You'd still get my vote."

Police estimated 25,000 heard his talk in Hartford, in which he criticized the present administration.

"SPECIFICALLY," he said in Hartford, "they want a Washington where Congress is controlled by one party, where one party gets its orders from the executive, where the executive gets its goals and purposes from a clique of theorists who specialize in experimental tampering and tinkering and talk."

"Left to itself, Washington can create nothing by paperwork, red tape, regulations and restrictions, but a sophisticated Washington, left to itself, presents a picture of confusion, indecision, timidity in everything except in spending money," he said.

# Dilworth, Scranton Speak Jointly At Pittsburgh Chamber Luncheon

PITTSBURGH (AP)—Gubernatorial candidates Richardson Dilworth and William W. Scranton appeared jointly for the sixth time yesterday as their campaigns headed into the final three weeks.

The candidates each spoke for 10 minutes before a Greater Pittsburgh Chamber of Commerce luncheon, then answered questions from the floor.

Dilworth told the gathering that if elected he would "select as department heads the best career men available, regardless of party."

In answer to a question later, the Democrat said, "I naturally prefer Democrats, but in our city, Philadelphia, half of the department heads are registered as non-partisans or Republicans."

Republican Scranton gave the

chamber details of a "Program of Progress" for Pittsburgh which he said he support if elected.

Dilworth said the Leader and Lawrence Democratic administrations straightened out what he called the financial "hodge-podge" left by previous Republican administrations.

Scranton called for "improvement of industrial development through building a better industrial climate by providing honest, efficient government."

The congressman also cited a need for community development programs, including a new cabinet—rank department of community development. The state must make new efforts, he said, in the fields of race relations, neighborhood development and transportation planning.
