

# Greek Week Theme Set

"Grecks Light the Way" has been chosen as the theme for the 1962-63 Greek Week, scheduled for Feb. 10-19.

A revised point system for Greek Week events was also announced recently by Fred Good, Greek Week co-chairman.

Under the revised system, more emphasis will be placed on the percentage of each group participating in the events.

THREE HUNDRED points will be awarded for an entry in the group singing category of the Inter-Fraternity Council - Panhellenic Sing if 75 per cent of the sorority or fraternity participates. An additional 30 points will be given for each 5 per cent of participation between 75 and 90 per cent.

First, second and third place winners in the group sing will receive an additional 400, 300 and 200 points respectively.

Quartet entrants in the Sing will receive 225 points for participation. First place winners will also be awarded 300 points, second place, 225 points, and third, 150 points.

A THIRD category, new to the Sing this year, is open to either vocal or instrumental selections by an individual or group sponsored by a sorority or fraternity.

Each entry in this category will

receive 150 points. An additional 200, 150 and 100 points will be given to the first, second and third place winners respectively.

A candidate in the outstanding pledge competition will receive 100 points for entering, an additional 100 points for being a finalist and another 100 points for winning, yielding a possible total of 300 points.

Two hundred points will be awarded if 75 per cent of a group participates in the exchange dinner program. Groups with 50 per cent participation will receive 100 points.

BRIDGE TOURNAMENT entries will receive 150 points. Two hundred points will be awarded to the winners, 150 for second place and 100 for third.

Fifty per cent participation in the work project will be worth 300 points. Eighty points will be given for each additional 10 per cent of a group participating, for a possible total of 700 points.

The work will be judged only as acceptable or non-acceptable. Participation points will be valid only if the work is acceptable.

WINDOW DISPLAY entrants will receive 225 points. First, second and third winners will be awarded 300, 225, and 150 points respectively.

One hundred points will be given to fraternities if their president and chapter adviser attend the IFC-Panhel banquet. Sororities will receive 100 points if their president, Panhel delegate and adviser attend the dinner.
