Now personal letters can be typed on EATON'S ERASABLE CORRASABLE new social edition for modern letter writers

Once Paris took Helen, there was no way out. Today it's easy to correct your errors—at the typewriter, anyway—when you use Eaton's erasable Corrassable Bond. It erases with just a flick of an ordinary pencil eraser!

That's why it is such a boon to busy college people. Since etiquette authorities agree that it's correct to type personal letters, Eaton now makes Corrassable available in a new, handsome Gold patterned social edition. In carefully edited colors: White, Grey, Blue; in letter sizes correct for men and women. Only Eaton makes erasable Corrassable.
