

Booters Trounce Bucknell To Score First Win, 3-0

By IRA MILLER
Coach Ken Hosterman's Penn State soccer team scored one goal in the first period and added two more in the fourth to beat Bucknell in the rain and wind here yesterday, 3-0. It was the Lions' first win in four games. Bucknell is 3-2.

Strong winds prevailed at the start of the game and after the end of the third quarter heavy rain started falling. The rains drove away almost all the spectators who had ventured to the game and, at the end, only two hardy, though somewhat chilled and wet, fans remained in the stands.

Ted Jones, George Berzkalns and Tom Flanagan provided State's offensive power while the Lions' corps of halfbacks and fullbacks repelled every thrust by the high-scoring Bisons.

In their four previous games, Bucknell had scored 15 goals—including 10 by high scoring captain Bill Dahl. Dahl and his mates were completely bottled up yesterday.

The Lions, who had been having trouble in previous games because of their lack of a take-charge offense, had no such problem yesterday. Both the offense and defense were taking charge and the harried Bisons were rarely able to maintain possession.

State goalie Jay Robbins had to make just 10 saves while Bucknell's netminder, Jay Maynell, had to turn aside 24 shots.

The fine work of fullbacks Bill Manke and Mike Mastil and halfbacks Jay Stormer, Dieter Heinze and Harry Kline made it a relatively easy afternoon for Robbins. In fact, the Lion halfbacks were also doing quite a bit of shooting. Several times during

the game they were able to fire away at Maynell from within 25 yards of the nets. One shot, by Heinze in the first quarter, sailed inches wide of the nets. Had it not been for the strong wind, it might have been a goal.

Jones opened the scoring at 8:00 of the opening period after John Katona's shot had been deflected in front of the Bisons' goal. Heinze set the play up with a fine head pass to Val Djurdjevic, who passed it in to Katona.

Berzkalns' third goal in four games came after three minutes of the final quarter. Maynell had no chance to stop his 20-yard line drive.

Eight minutes later, Flanagan scored from just to the right of the Bucknell nets. Moments after this score another goal by Berzkalns was nullified by a penalty.

The closest Bucknell came to scoring was midway through the first period when Graham Shaffer, set up by Bill Goulding, hit the crossbar from just in front of the goal. Just before this shot, an effort by Goulding, in all alone, sailed over State's net.

Near the end of the third quarter the Lions almost yielded a score on a mixup in front of their goal. An errant kick by a retreating Lion set it up, but the goal was disallowed because a Bucknell player had touched the ball with his head.

State's domination of play was clear-cut throughout, but especially so in the second quarter. During that 22-minute stretch, the Lions managed to get 12 shots to only one for Bucknell. State also received five corner kicks during the period to none for the Bisons.

Twice Maynell was forced to make exceptional saves, one after Ed Hinojosa had gone through the entire Bison defense, another on a hard shot by Kline.

Only in the third period did Robbins make more saves than Maynell, though neither team mounted much of an attack in that quarter.

State pressed constantly during the rainy fourth quarter, and might have had a few more goals if not for some fine saves.

The Lions took 41 shots to Bucknell's 16 during the game (the first time this year the Nittanians have outshot their rivals) and received 10 corner kicks to the Bisons' seven.

Roberts Awarded Comeback Honors

NEW YORK (AP) — Robin Roberts, who showed flashes of the excellence this past season that made him one of the National League's outstanding pitchers, was named the American League comeback player-of-the-year yesterday in the annual Associated Press poll.

Roberts received 81 of the 106 votes in the balloting by members of the Baseball Writers' Association. Dick Donovan of Cleveland was second with nine votes, followed by Hank Aguirre, Detroit, and Billy Moran of the Los Angeles Angeles, three each.

Cast off by the Philadelphia Phillies and New York Yankees, Roberts won 10 games and lost nine for the Baltimore Orioles while compiling the second lowest earned run average in the circuit, 2.77. In 1961, the veteran right-hander won only one game and lost 10.

In 14 seasons with the Phillies, Roberts won 294 games.

Patrick's Warning Proved All Too True

"This is a typical Syracuse team," Penn State scout Frank Patrick warned the Lions before the two teams clashed in Beaver Stadium Saturday. "They are big, strong, aggressive and especially strong on defense."

Patrick, Lion backfield coach, hit the nail right on the head. In the Syracuse tradition, the Orange team presented a large, formidable line.

Penn State actually outweighed the Orange starting front wall 220 to 216 pounds per man, but Syracuse had more weight on its second and third units than the Lions could muster.

IN ADDITION, two of the main defensive replacements for the Orange were Len Slaby (220) for Gene Stancin (185) and Jim Wilson (215) for Ray Seager (205).

"They were big and deep," assistant lion coach Dan Radakovich noted. "Their second line was much bigger than ours."

Operating behind the mobile Orange line, Syracuse's backs gained a total of 230 yards on the ground, the most rushing yardage any team has accumulated against the Lions this year.

State had trouble moving against the Orange except for two lightning-quick scoring thrusts early in the first quarter and a tremendous drive in the last quarter.

Trailing 18-14 with the ball on their own 42-yard line, the Lions proved their worth in driving 58 yards in eight plays to clinch the victory, 20-13.

That spine-tingler out of the way, the Nittanians now face the task of preparing for California.

THE LIONS will leave for Berkeley after practice early Thursday afternoon.

Coach Rip Engle and his aides sent the Lions through an abbreviated workout Monday and a complete practice yesterday. Today's practice will be the last full-scale session the Lions will have this week.

Three members of State's injury-ridden team are working out this week and may be ready to play Saturday.

Guard Bob Hart is recovering from a knee injury and participated in a brief scrimmage with the third unit for the first time Monday.

THE VETERAN 215-pound lineman was expected to challenge for a starting berth before the season began, but has been sidelined all fall by twisted knee ligaments.

Quarterback Don Caum and halfback Al Gursky have also been testing their injuries.

Caum, who saw action on only three plays against Syracuse, has

been bothered by a bad knee. Gursky suffered badly bruised ribs in a brief appearance at Army and missed the Syracuse game completely.

The senior halfback has been hampered by injuries since the Lions' opener with Navy. He hurt his knee in that game and was out of action until the Army contest.

While Hart, Caum and Gursky are on the road to recovery, two members of State's starting unit are still nursing injuries.

Halfback Roger Kochman suffered bone chips in his toe against Army, but played brilliantly against Syracuse. He has sat out the Lions' two practices this week.

"He didn't tell us about the injury until Friday," Engle said, "then he went out and played a great game Saturday."

Dick Anderson injured his shoulder in Saturday's game and may not be ready to go full speed this week.

Texas Edges 'Bama in AP Poll; Wildcats Leap into Third Place

Texas and Alabama continued to run neck-and-neck in the Associated Press college football poll with Coach Darrell Royal's Longhorns holding the lead for the second straight week.

Another tight battle is expected this week for both of the leaders as they are matched with non-ranked clubs.

TEXAS, half way home to a perfect season after edging Arkansas 7-3, has Rice as its next opponent Saturday night. Rice, a non-winner, has one big plus mark to its credit, a 6-6 tie with powerful Louisiana State.

Alabama, also 5-0 for the year after a 27-7 romp over Tennessee, takes on Tulsa, 3-2, which has lost to Arkansas and Oklahoma State.

Northwestern surged into third place on the strength of its 18-14 decision over Ohio State. Next on the list for the Wildcats is Notre Dame, an old foe which has

been having its troubles with a 1-3 record.

SOUTHERN CALIFORNIA polished off California, 32-6, for its fourth straight and moves against a weak Illinois club which has lost all four starts to Washington, Northwestern, Ohio State and Minnesota.

Wisconsin, No. 2, faces a rugged challenge in an Ohio State team which still starts under that defeat by Northwestern, on top of a loss to UCLA. For the first time in years Ohio State is unranked.

The top ten teams:

1. Texas (23) 491
2. Alabama (18) 465
3. Northwestern (8) 390
4. Southern California (1) 363
5. Wisconsin (1) 279
6. Louisiana State 232
7. Mississippi (1) 228
8. Washington 170
9. Arkansas 82
10. Michigan State 79
