

# Final Examination Schedule Set for Fall Term

The courses listed below will hold final examinations during the final exam period beginning at 8 a.m. Tuesday, Dec. 4 and ending at 9:55 p.m. Thursday, Dec. 6.

Courses not listed below may hold final exams on or before Monday, Dec. 3, during the regularly scheduled class period.

Each final examination will be 75 minutes long and will follow the regular class period schedule.

Students with two final exams at the same time or with more than three exams on the same day during the final exam period should file a request for a conflict examination in the University Scheduling Office, 2 Willard, between Oct. 29 and Nov. 2.

The fee for filing a late conflict exam request is \$10.

Students with three final exams on the same day may file a conflict request and will be assigned to conflict exams only where it has been necessary to create such an exam due to direct conflict situations.

Conflict requests may not be filed for examinations given during the regularly scheduled class meetings.

In the schedule below, T refers to Tuesday, Dec. 4; W to Wednesday, Dec. 5; and Th to Thursday, Dec. 6. The middle number refers to the class period and the last item to the location of the examination.

For "see list" courses, the instructor will announce room assignments.
