

### Hodges Names MacKenzie to National Export Council

Ossian MacKenzie, dean of the College of Business Administration, has been appointed to membership on the National Export Expansion Council by Secretary of Commerce Luther Hodges.

The main purpose of the council is to boost the quantity of U.S.

exports by encouraging American manufacturers to sell everywhere in the world possible under present regulations.

Hodges told the council that his goal was to increase the net value

of this country's exports by 10 per cent by the end of 1963, ensuring a favorable balance in our international payments and halting the drain of our gold reserves.

# Pall Mall Presents - GIRL WATCHER'S GUIDE

HORN-RIMMED BOOKSTACKER

## CAMPUS TYPE III

The Bookstacker serves the cause of classical literature in various ways. Perhaps the least of these is in keeping the rows of books properly aligned and the jackets free of dust.

Her most important contribution is in improving the environment for study, enhancing the halls of learning with her own classical form. Many a college man has discovered a previously unfelt craving for knowledge simply because he received his copy of Homer from the hand of a deep-breathing redhead who sighed, "I think Homer is the most!" Yes, it pays to take a good look at the classics now and then.

Among cigarettes, Pall Mall is a classic—famous length, fine tobacco... no flat "filtered-out" flavor, no dry "smoked-out" taste. Try Pall Mall and see!

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!
