

Phi Kappa Sigma Wins League A Title

By ED CARPENTER

Two league championships decided, a three-way tie for first place in a third league, and a game won in overtime were the highlights in intramural football action on the golf course fields last night.

The two league's crowns, A and C, were won by Phi Kappa Sigma and Kappa Sigma respectively, each team boasting an undefeated season. Phi Kappa Sig finished the season with a 5-0 record while Kappa Sig won four.

Phi Kappa Sig's title clincher came as they defeated Sigma Alpha Mu, 19-0. The scoring began early in the second half on a two-yard pitch from Phi Kappa Sig's Jim Terry to George Baker. The PAT was no good and Phi Kappa Sig lead 6-0.

WITH THREE minutes to go they added another tally on a three-yard pitch from Terry to Baker. Once again the point after was errant.

Phi Kappa Sig was not happy with their twelve-point lead and with 1:45 to go Don Jameson intercepted a pass on Sammy's 22 and raced to the eight. On the next play Terry hit Joe Davi in the end zone for the score. The PAT was made, by Dick Lacey

to end the scoring.

Kappa Sig won their league by defeating Theta Delta Chi, 13-0, as both scores came on runbacks of intercepted passes.

The three-way tie for first place is in League B where Phi Gamma Delta, who edged Alpha Chi Rho,

14-7; Chi Phi, who shutout Delta Phi, 7-0; and Lambda Chi Alpha, who blanked Pi Lambda Phi, 8-0, have identical 3-1 records.

The overtime occurred in the game between Phi Delta Theta and Phi Kappa Theta. Phi Delta pulled it out, 1-0, on first downs.

THE STORY OF TEN LITTLE FREE WORKERS

10 little free workers in this country fine and fair.
 But if you cherish your freedom—worker have a care!
 Ten little free workers—Reddy was doing fine
 Until the socialists got him—then there were nine.

9 little free workers laughed at Reddy's fate
 Along came federal medicine—then there were eight.

8 little free workers thought this country heaven
 But the government took over the railroads, then there were seven.

7 little free workers—'till the miners got in a fix.
 Uncle said coal's essential and took over leaving six.

6 free workers 'till the day did arrive
 The steel mills too were federalized—then there were five.

5 little free workers—but the farmers are free no more
 The farms have been collectivized—that leaves only four.

4 little free workers 'till the government did decree
 All must have free legal advice—then there were three.

3 little free workers—the number is getting few,
 But with government groceries selling food—then there were two.

2 little free workers—our story's almost done,
 With clerks at work in federal stores—that leaves only one.

1 little free worker—the reporter son-of-a-gun
 Mustn't criticize government—so now there are none.

Ten little workers—but they are no longer free
 They work when and where ordered, and at a fixed rate you see,
 And it all could have been prevented if they'd only seen fit to agree
 And work together instead of saying "it never can happen to me!"

Yes... this could happen to you. This little story could come true unless each of us works to preserve free enterprise. What can you do? Write your Congressman and ask him to keep government out of business.
