

Strong Offense Paces Lions To 24th Winning Log in Row

By JOHN MORRIS
Sports Editor

The Penn State football team's 23-7 victory over Maryland Saturday in Beaver Stadium clinched the 24th consecutive winning season for the Lions and the 13th straight under the tutelage of Rip Engle.

The Nittanians now own a 6-1 record with three games to play. The last time the Lions lost more than they won, was in 1938, when their record was 3-4-1.

The Lions have been rolling offensively to record their six wins thus far this season. They have scored at least three touchdowns in each of their victories. The only time they were held to less than three touchdowns they didn't get any at all and lost to Army, 9-6.

On the plus side of the ledger, the Lions have wins over Navy (41-7), Air Force (20-6), Rice (18-7), Syracuse (20-19), California (23-21) and Maryland (23-7).

THE NITTANIES hold an edge over their opposition in just about every statistical department. They lead in first downs (121-91), total yardage (2,179-1,801) and touchdowns (21-11).

All-American halfback candidate Roger Kochman paces the Lions in most of the ground-gaining departments.

Kochman leads the rushers with 86 carries for 437 yards, a 5.1 average gain per carry. He also tops the Lions in kickoff returns, punt returns and individual scoring. He has scored seven touchdowns, three on passes and four on the ground.

Fullback Dave Hayes, who didn't break into the starting lineup until the Lions' third game, is second in both rushing and scoring.

Hayes has picked up 209 yards on 57 carries, a 3.7 average. He has yet to be thrown for a loss this season. Hayes has tallied 30 points on five touchdowns.

Quarterback Pete Liske gained 80 yards in 15 carries against Maryland, exactly equalling his total in the Lions' first six games. The junior signal-caller now has gained 160 yards to rank third among the Lion rushers.

LISKE ALSO is the Lions' top passing threat with 63 completions in 113 attempts, a completion percentage of 55.8. He has thrown for 866 yards and six touchdowns. The Lion quarterback has had only two passes intercepted all season.

Sophomore Ron Coates trails Liske in the passing statistics with 13 completions in 29 attempts for 203 yards. He has had three aerials intercepted.

The Lions' leading pass receiver is little Junior Powell, the forgotten man of the team. Powell, who has 22 receptions for 208 yards, has been relegated to defensive duty with only brief offensive appearances since the Syracuse game. He has caught only one pass in the Lions' last two games.

ALL-AMERICAN end candidate Dave Robinson is the Lions'

second leading pass receiver with 14 catches for 143 yards.

Kochman and Gursky, who replaced Powell at right halfback in the Nittanians' starting lineup, are tied for third in the pass receiving parade with 11 catches apiece.

Kochman has 198 yards on his 11 catches while Gursky has gained 102.

The Lions have one of the nation's leading punters in Chuck Raisig. Raisig has averaged 42.9 yards for 26 kicks so far this fall.

Raisig, the second leading punter in the country before the Maryland game, averaged 44.4 yards on five kicks against the Terps.

Coates gives the Lions another capable kicker on field goals and extra points. He has hit on four of five extra point attempts and four of six field goal tries.

The Nittanians escaped last Saturday's game without serious injury to any players. They should be in their top physical shape of the year for this week's contest with West Virginia.

Former Soccer Coach to Be Honored At Presentation of Lion MVP Award

By IRA MILLER

One of the most successful coaches in the history of Penn State athletics will be honored this Saturday when the first Bill Jeffrey Award is presented to State's "outstanding soccer player." The Lions play Army here Saturday morning.

The award is the brainchild of a committee headed by Dick Packer. Packer was the Lion booter's captain in 1955, and an All-American in 1954 and 1955. The Nittanians won the national championship both years.

Jeffrey coached soccer at State for 27 years (1927-52) and during his tenure the Lions produced eleven undefeated seasons — eight in succession. His overall record was 154 wins, 24 losses, and 29 ties.

Under Jeffrey, the Nittany booters were unbeaten in 1929, 1931, 1933-40 and 1949. During the eight-year 1933-1940 stretch, they played 60 games and were tied only five times.

JEFFREY CONSIDERS his 1955 team to be his best. That year the Lions not only won all seven games, but they were also scored on. State's closest call that season was a 1-0 overtime win over Lafayette.

The Lions had 36 All-Americans during Jeffrey's regime. Only in 1942, '44, '51, and '52 did State not produce an All-American. 1944 was the only year that the Nittanians didn't have a winning season under Jeffrey, compiling a 3-4 log.

Of Jeffrey's All-Americans, twelve made it more than once. Joe Bielicki, captain of the 1935 squad, was a three-time selection (1933-35) as was Bill McEwan, captain in 1936. McEwan played from 1934 through 1936.

Among the men who were two-time All-Americans under Jeffrey are Dick Marshall ('27-'28), Bill Lutz ('28-'29), Al Daykin ('31-'32), Bill Sulliff ('34-'35), Bob Schuler ('37-'38), Walt Hoterman, brother

of the present coach ('39-'40), Woody King ('40-'41), John Hamilton ('45-'46), Dean Hartman ('46-'47) and Harry Little ('49-'50).

ANOTHER BROTHER of the present State coach, Ralph Hoterman, was an All-American in 1948.

The oldest of four Hoterman brothers who played for Jeffrey, Woody, played on the 1935 and 1936 squads.

State's present coach, Ken Jeffrey, played in 1949 and had the misfortune of being the only player on any of Jeffrey's squads to break a limb, suffering a broken leg against Penn.

"We had a lot of good teams," Jeffrey said earlier this week, recalling some of his squad's heroics. "We were the cream of the crop for a good many years.

Besides the 1935 team, I would also consider the teams in 1928, 1933, 1934 and 1940 to be right up there."

Jeffrey's teams in 1949 and 1950 played in the first two Soccer

Bowl games. The 1949 team tied San Francisco 2-2, while the 1950 squad topped Purdue, 3-1.

During the thirties and forties, when State's booters were the top team around, collegiate soccer action was confined mainly to the East, and Jeffrey recruited most of his players from areas close to State College — and frequently got many of his players directly from State College High.

"I got most of my boys from Centre County," Jeffrey said. "In fact, State College High sent us more players than any other school. But in the last few years, they have dropped soccer and so have all the other schools in the county."

"IN THE PAST decade, the game has grown everywhere but in Centre County. The growth of the collegiate game has been fantastic. When it was the top team in the East, we were automatically national champions. But the teams in the West and in the Big Ten have taken up the sport recently too.

"With the growth everywhere else and the decline around this area, it is naturally reflected in State's record because there are no soccer-playing high schools around from which to draw players," he concluded.

As a result of this de-emphasis of soccer in Centre County, State is now suffering through its fourth straight losing season.

Whereas Jeffrey used to cull many All-Americans from this area — the Hoterman brothers, for example — there is not one local boy on this year's squad, which has won one of six games. Five losses was unheard of in Jeffrey's time — he had only five teams that lost more than one game!

State's booters won the championship trophy so often that they retired it and it's now on display in one of the Rec Hall trophy cases.

Two of Jeffrey's teams made overseas trips for exhibitions. The 1933 squad went to Scotland during the summer of 1934. The 1950 team went to Iran during the spring of 1951 at the request of the State Department.

Northwestern, Southern California Head AP Grid Poll; Rose Bowl Clash Possible

By The Associated Press

If the Rose Bowl football game were to be played this week, it could boast of being an unofficial match for the national championship between the No. 1 and No. 2 ranking college teams.

Northwestern and Southern California, driving toward a possible clash in Pasadena, are pace-setters in the weekly poll of the Associated Press. Each has won six straight games.

Northwestern, which squeezed past Indiana 26-21 Saturday on a late passing drive by Tom Myers, retained top place in the standings with 24 of the 49 first place votes of the special panel of sports writers and broadcasters and a total of 442 points.

On the basis of ten points for a first place vote, nine for second, etc., Southern California, which hurdled a formidable obstacle in Washington 14-0, took over the No. 2 rung with 409 points. The Trojans were picked as the nation's best of six of the voters.

Alabama and Mississippi, boomed for a meeting in the Sugar Bowl, followed in the No. 3 and No. 4 positions, respectively, after receiving nine first place votes each. Alabama made Mississippi State its seventh victim of the season 20-0 while Mississippi finally managed to beat Louisiana State, an old rival, 15-7.

Completing the top ten, which underwent a brisk shakeup, were: Texas, No. 5; Arkansas, No. 6; Missouri, No. 7; Wisconsin, No. 8; Louisiana State, No. 9, and Minnesota, No. 10.

Northwestern, No. 1, and Texas, No. 5, were the only teams to hold their positions from a week ago. Alabama dropped a notch; Mississippi moved up from sixth place; Arkansas, 17-7 winner over Texas A&M, jumped two rungs; Southern Cal gained one, and Louisiana State fell from fourth to ninth.

Missouri, Wisconsin and Minnesota are newcomers to the list, routing out Michigan State, Washington and Auburn, all of whom were beaten.

Northwestern's newly-gained station is in jeopardy this week in the game with Wisconsin, which thumped Michigan 34-12 for its fifth victory in six starts. Southern Cal plays Stanford, Alabama meets Miami, Fla., Mississippi takes on Chattanooga and Texas faces Baylor.

Other games involving the top ten send Arkansas against Rice, Missouri against Colorado, LSU against Texas Christian and Minnesota against Iowa.

Hadnot's Basketball Fine Hinges on RI Elections

OAKLAND, Calif. (AP) — Jim Hadnot, a Democrat, campaigner running for the Assembly pained against a wealthy GOP in Rhode Island, was fined \$100, assemblyman, Frederick Lippit, yesterday by the Oakland pro "We wish Jim all the luck in the basketball team management for election." Oaks General Manager failure to show up here. Joe Anzivino said. "But we've got The 6-foot, 10-inch rookie on the campaign of our own to win and Oakland team in the American he figures in it." Basketball League, is a week. "But if Hadnot wins the election overdue because of politics. (the fine is off," Anzivino declared.

Lions in Running for Cotton Bid; Robinson All-East End Selection

The Cotton Bowl announced today that Penn State is one of 12 teams from whom the visiting Army as the top major college football team in the East.

Felix McKnight, chairman of the selection committee, said today that after this weekend the list will be down to four or five teams.

There are too many important games coming up in the next three weeks, however, to make any definite commitments, McKnight said.

Schools contacted, in addition to State, are Alabama, Louisiana State, Georgia Tech, Mississippi, Oregon, Auburn, Army, Miami, West Virginia, Maryland and Duke.

Penn State, meanwhile, kept a

firm grip on second place in the Lambert Trophy voting this week but failed to gain on first place team in the Jan. 1 classic will be chosen.

The voting had Dartmouth and Pittsburgh tied for third with Navy fifth, then Syracuse, Holy Cross, Villanova, Boston College and Rutgers.

Dave Robinson, All-American nominee for the Lions, was again named to the weekly All-East football team of the EAAC. Robinson was cited for recovering three fumbles in the win over Maryland Saturday. Paul Martha of Pitt was named to the back-

ME, EE, AE, ENGINEERS

Fed up with a profusion of promises?

If the thought has crossed your mind that there's too much of a good thing going around for engineering students lately, we don't blame you. We are making no exaggerated promises. In fact, we are looking to you and to other engineering students for promise to bring to us. There's a switch!

History's second most significant Noah defines promise as, "Ground for hope, expectation, or assurance, often specific, of eventual success." Since we are dedicated to the proposition of complete success in all our endeavors, —and the less "eventual," the better— we are looking for men of promise.

What's up at Hamilton Standard? In brief, a diversification program that includes design and development of propulsion controls, life support systems, other environmental control systems, electron beam, automatic stabilization systems, propellers, and ground support equipment.

A Hamilton Standard college personnel representative will be on campus soon. He'll be glad to answer your questions, and to take your application for a position if you decide you like what you've learned about us.
