ticulariy toward children of University personnel. Other children ond grades are taught individual in the State College area may engraders are taught games which roll in the classes if any open-graders are taught games which prepare them to take part in team activities and sports.

THE CLEAN WHITE SOCK

He not only wears the clean white sock; he is "clean white sock." It's a kind of confidence that comes from knowing the right thing to do; even if he decides not to do it. His clean white socks are by Adler. His girl is by his side, every bit as "clean white sock" as he is. Naturally they don't always wear white socks, they just act like they do. People who really swing are wearing the Adler SC shrink controlled wool sock. \$1.00.
