

Teacher Exam Applications Available

Applications for the National Teachers Examinations may be obtained in 176 Chambers, or directly from the National Teachers Examinations, Educational Testing Service, Princeton, N.J. The deadline for registration is Jan. 18. The tests will be given on Saturday, Feb. 16, at the University.

Seniors preparing to teach and teachers applying for positions in school systems which encourage or require applicants to submit their scores on the examinations are eligible to take the tests.

Education means developing the mind, not stuffing the memory.

AAUW To Offer Loans to Women

The American Association of University Women will provide loans to senior women and women graduate students through the Simmons Loan Fund.

The fund was established in 1919 in honor of Lucretia V. T. Simmons, a past president of the State College branch of AAUW.

In 1918 Miss Simmons became the first woman on the University faculty to hold the rank of full professor.

Further information concerning these loans may be obtained by contacting Mrs. Ralph Ricker, AD 7-7230, or Mrs. Loren D. Tukey, AD 8-6678.
