Sophs To Sponsor 'Funniest Man on Campus' Contest

The Sophomore Class Advisory Board will sponsor a contest to determine the funniest man on campus Feb. 13 to 15, Joan Gordon, projects committee chairman, said recently. Fraternities, men's residence hall groups and town independent men wishing to enter must

submit a picture of the head of the funniest man in their group to the Hetzel Union desk by Feb. 11, Miss Gordon said. Masks or other props may not be used, and each picture must be accompanied by a 50 cents entrance fee. The pictures will be displayed

on the ground floor of the HUB for three days, and students may vote for a penny, she said.

THE BELL TELEPHONE COMPANIES

SALUTE: TONY DIGIOIA

Tony DiGioia (B.S., 1960), in less than two years, became supervisor in one of the Test Centers in the Plant Department of Pennsylvania Bell. He manages fifteen people who are responsible for the installation and repair of 53,000 telephones in the area.

Tony should handle his present assignment with his customary thoroughness, when you consider his first two assignments. Shortly after starting work, he proved his

capabilities by organizing a completely new microfilm filing system in the Engineering Department. And, later, he set up engineering practices covering many phases of the engineering operation.

Tony DiGioia and other young engineers like him in Bell Telephone Companies throughout the country help bring the finest communications service in the world to the homes and businesses of a growing America.
