Soviet Forces in Termed Serious Matter

WASHINGTON (A)—President also inspection of the United pects for future withdrawal "as Kennedy sald yesterday the pres-States, which this country would the days go on," but there is no ence of Soviet military forces in not agree to. There has been no firm_information now. Cuba is a matter of serious con- on-site inspection and, "I do not corn "which is being discussed expect to get any." with the Soviet government.'

The President said he did not know what more the administration could do to get across to the country its contention that the evidence shows all offensive weapons have been withdrawn from

HOWEVER, if it should turn out-contrary to what Soviet Premier Khrushchev has said-that some missiles are hidden in Cuba then "much greater risks" would be raised than existed during the Cuban crisis last October, Kennedy continued.

At the same time the President appealed to the nation to "deal with facts." The issues involved in the Cuban situation are issues of war and peace, he declared. matters

THE FIRST QUESTION at the yesterday after six failures. presidential news conference was whether Kennedy believed the Cuban military threat has increased, decreased or remained stationary since the removal of Soviet offensive weapons,

Kennedy noted that there has been a reduction of about 4,500 military personnel since the rethreat exists how than at the time, of the crisis

There still is a substantial body of technicians and equipment in the island, he said.

During his press conference, the President also said:

Cuba would not agree to onsite inspection unless there was

New Polaris Called Success

CAPE CANAVERAL, Fla (AP) about 18 months," he said, designed to bring all land areas and in dealing with such grave of the world within range of rock-matters "we should keep our et-firing nuclear submarines et-firing nuclear submarines scored its first test flight success

> The advanced Polaris, the third generation A3 model, roared off a land launching pad and raced 1,840 miles down the Atlantic tracking range. Eventually the missile will have a reach of 2,875

THE NAVY reported the moval of weapons. And he said launching was highly successful, that of course a different type of A spokesman said the flight demonstrated the soundness of the A3, which features many revolutionary rocket systems.

"When the A3 is operational in

"no -A new breed of Polaris missile target in the world will be immune from the fleet of Polaris submarines. The subs can strike deeper inland or stand a greater distance off an enemy shore, giving them thousands more miles of sea in which to hide, compounding an enemy's search problem.'

> About 95 per cent of all land on the globe can be reached by the earlier operational A1 and A2 Polarises, which have maximum range of 1,375 and 1,725 miles, respectively.

Great Britain is to receive A3 missiles for the five to seven submarines that nation will build as a result of the U.S.-British agreement to swap Polaris for the airlaunched Skybolt missile.

Dear Penn Staters,

I think it's about time you should know of a certain wonderful event that takes place each Saturday evening from 9 to 12:30 in the HUB Ballroom.

This certain wonderful event is called the

v It's a student operated night club sponsored v **⋄** by the HUB Social Committee.

💆 It has the atmosphere of a real night club 💆 complete with a band, floor show, waiters, and even cigarette girls.

This week the Sanara Koom brings you the Barrett Quintet featuring Bob Napier.

The price is so unbelievably cheap. Tickets are only \$1.00 per couple and may be purchased at the HUB Desk.

Hope to see you there,

You'll meet many strange and wonderful people at the

Adenauer Asks OK For French Pact

cellor Konrad Adenauer sought majority. Parliament's support yesterday for his new treaty with France by promising it could be used to help get Britain into the Euro-pean Common Market.

THE CHANCELLOR told the Bundestag-Parliament-that at their last meeting in Paris on Jan. 23 President Charles de Gaulle "promised me that the first subject of joint consultation after the treaty goes into effect

Adenauer and other party that the treaty will drive a wedge between Bonn and Washington, and threaten unity of the Western world. De Gaulle wants to see a Europe independent of U.S. leadership.

"The Federal Republic not only recognizes the claim to leadership of the United States in this Atlantic alliance of equal partners, it has repeatedly called on the United States to take up this role of leadership," declared Heinrich von Bretano, former foreign minister who is floor leader for Adenauer's Christian Democrats.

HE SPOKE after Erich Ollenhauer, leader of the Socialist opposition, declared; "Our relations with the United States must be as close and unambiguous as pos-

Ollenhauer's views were echoed

"The United States alone is our

guarantee of freedom and law in Europe," Mende said.

The chancellor disclosed the heretofore secret agreement with De Gaulle on Britain in an obvious attempt to enhance the chances of speedy passage for the treaty, which calls for closer ties between West Germany and France,

Adenauer would like to get ratification before the summer

To Begin Today

NEW ORLEANS, La. (AP) -The 5th U.S. Circuit Court of Appeals opens a hearing today criminal contempt charges against Mississippi Gov. Ross Barnett and Lt. Gov. Paul B. Johnson Jr.

Neither has said whether he will appear at the hearing - another outgrowth of Mississippi's battle last fall to keep Negroes out of the University of Mississippi.

Their attorneys seek dismissal of the charges on a variety of grounds-that the appeals court doesn't have jurisdiction, that the charge was improperly prepared and that Barnett and Johnson acted as state officials, not as inby Erich Mende, head of the small dividuals, and complied with state Free Democratic party whose law when they tried to block votes keep Adenauer in power. Negro James H. Meredith.
