

OSGA Establishes Committee To Represent Campuses Views'

A coordinating committee to discuss issues of University-wide interest has been established by the Organization of Student Government Associations.

The committee, which was formed at a meeting held Saturday at the Altoona campus, will work with the Undergraduate Student Government so that the views of the commonwealth campuses may be represented, OSGA President Paul Miller said.

MANY TIMES USG claims the views of all Penn State students by issuing statements on subjects of an all-University nature, Miller said. Actually it represents only the students at University Park, he said.

Miller appointed Raymond Angeli, Scranton campus; David

Craley, OSGA recording secretary; Robert B. Fisher, OSGA vice president; and Robert M. Fisher, former OSGA president, to the coordinating committee.

MILLER SAID that he will make several more appointments later and they will probably be former commonwealth campus students who are now at University Park.

In other business, suggestions for changing the present method of electing OSGA officers were discussed at the workshops. Miller said the executive committee would study these suggestions and formulate a proposal to present at the next conference.

Miller and Robert M. Fisher represented USG at the conference.

TODAY ON CAMPUS

ONE YEAR AWAY FROM A JOB?

If you are considering a career in business management or actuarial science, we invite you to investigate the Summer Programs at the Home Life Insurance Company. These programs offer challenging, well paid summer work with an opportunity to prove your qualifications for a management career in one of America's top "growth industries."

HOME LIFE'S SUMMER PROGRAMS

- There are two programs—the Summer Internship for men interested in a general business management career and the Summer Actuarial Program for Math Majors. These programs offer . . .
- a responsible college-level job (not just a "make-work" situation) in a progressive, highly-regarded company
 - a series of interviews with key executives of Home Life
 - informal meetings with department heads and other management people in vital areas of company operations
 - plus, of course, the New York metropolitan area's unique business, cultural and recreational advantages.

You May Qualify For . . .

The Summer Internship in Business—
 If you have a genuine interest in business, a good academic record, evidence of leadership potential, and are within one year of permanent full-time employment (exclusive of any military obligation).

The Summer Actuarial Training Program—
 If you are interested in exploring an Actuarial career, are a Math major with at least a "B" average, and have successfully completed your Sophomore or Junior year.

Senior Mathematics Majors are invited to inquire about Home Life's full-time actuarial training program.

FOR MORE INFORMATION OR TO ARRANGE AN INTERVIEW . . .
 Contact your placement office. The Home Life representative will be on campus on March 7.
