

Forbes Chosen BOCME Queen

Sue Forbes (5th-elementary education-Lewisburg) was chosen BOCME (Board of Collegian Male Editors) queen last night.

Miss Forbes will be this University's entry in the Campus Cover Girl Contest conducted by the Roto Magazine of The Pittsburgh Press.

She will compete with coeds from most of the colleges and universities in the Pittsburgh Tri-State District. Photographs of the college queens will appear in the March 17 edition of the magazine.

Other finalists in the competition were Patricia Howard (8th-secondary education-Chambersburg); Pat Hurley (4th-liberal arts-Philadelphia); Linda Pavian (5th-secondary education-Johnstown); Nancy Sleber (8th-elementary education-Herminie) and Margaret Ann Thompson (8th-elementary education-Pittsburgh).

Panhel Approves Judicial Revision

By CAROL RITCH

The Panhellenic Council approved a judicial by-law amendment last night. The revision stipulates that at both the preliminary and the formal hearings all groups involved in judicial infractions must be present to give their side of the case to the Judicial Board.

FORMERLY the group which reported the infraction was not required to appear before the board.

The code further states that the accused shall be informed of the investigation at least two calendar days prior to the preliminary hearing.

A written accusation, defense and evidence shall be presented to the Panhellenic advisor and to the chairman of the Judicial Board. If at the preliminary hearing a solution is reached by the involved groups, the case will be closed and no public report will be issued.

In cases where no solution is reached, a formal hearing will be held at least four days after the preliminary hearing. Both the preliminary and the formal hearings will be closed to outside groups.

Any violation of rules shall be reported in writing by the Panhellenic president to the national president of the sorority involved,

and to the Office of the Dean of Women.

In further business the council approved a ticket proposal presented by Allen Feingold, music festival co-chairman, and Emil Sos, Interfraternity Council president. The plan calls for reduced group ticket rates for the Spring Week Music Festival featuring the Brothers Four.

Feingold said that fraternities had unanimously voted in favor of reducing ticket rates for the sororities if 50 per cent of the individual sorority membership bought tickets. A nominal percentage will be set up for residence areas enabling them to buy tickets at the reduced rates, Feingold said.

POINTS WILL be awarded to sororities on the basis of percentage of tickets sold in proportion to their membership, Feingold said. This would enable fairer participation between smaller and larger groups, he added.

Points will also be awarded for hours sorority members spend in ticket selling booths in the Hetzel Union Building, he explained.

A trophy will be presented at the musical festival intermission to the sorority which accumulated the highest number of points.

Proceeds from the tickets sold will go into a scholarship fund.

Under new business the council also voted to close the open bidding period Feb. 28. Sororities who at present have a membership of 30 or below have been extended special privileges and are exempt from the deadline.

USG Postpones Action On Changes in By-Laws

By JOAN HARTMAN and PENNY WATSON

Action on the by-laws amendment requiring all congressional candidates to submit signed nominating petitions was postponed by the Undergraduate Student Government Congress last night.

Congress then passed a motion stating that the entire section of the by-laws pertaining to nominations be rewritten and submitted next week.

This action came after confusion arose concerning the wording of the original by-laws amendment.

THE RULES Committee; Jon Geiger (fraternity), the bill's sponsor; Blake Murphy (Pollock), By-laws chairman; and Alan White (town) will meet Monday night to rewrite the nominations requirements for USG.

In other business, David Wasson, Transportation Committee chairman, said his committee will sell reduced-rate railroad tickets to Philadelphia and New York City at the end of this term.

The committee was originally established two years ago to investigate the possibilities of running special buses to metropolitan areas at vacation periods.

This plan was found to be infeasible, Wasson said, because the bus companies will not offer lower rates to the student body, and it is also infeasible for USG to charter buses for several reasons.

"USG cannot sponsor chartered buses because in doing so it would encourage students to cut classes at the Thanksgiving and Easter holidays," he said.

Also, the committee tried to get enough students to fill a chartered bus to Philadelphia last year, but only 17 students indicated interest in the project. If the committee

had chartered the bus with only 17 passengers, USG would have had to make up a deficit of over \$100, he said.

Reporting on the USG Committee on Fine Arts and Cultural Affairs, originally the Cultural committee, James R. Williams, chairman, said the committee will sponsor a tea from 3-5 p.m. Sunday in the Hetzel Union main lounge. The Alard String Quartet will perform, he said.

THE COMMITTEE will also sponsor a spring arts festival May 24, 25 and 26. The purpose of the festival is to point out the cultural activities available at the University, he said.

The festival will include a student artists series, a student art exhibit and performances by the Meditation Chapel Choir and the University Symphony Orchestra. A dramatic performance may also be scheduled for sometime during the weekend.

The art rental library, originally scheduled to open this week in the HUB, will not open until March 8, Williams added.

Cold Weather Should Remain

Cold, blustery weather is expected to continue for several days.

The mercury was forecast to dip below ten degrees early today. Today should be windy and cold with considerable cloudiness and snow flurries. There may be a few snow squalls in the afternoon. A high of 25 is expected.

Occasional snow flurries, gusty winds and cold weather are indicated for today and tonight. A low of 13 is expected tonight and tomorrow's high will be about 20.

Tomorrow night should be mostly clear and very cold with a minimum of zero degrees. Saturday will be cloudy and cold with a chance of snow.

Statement Issued by Pitt Opposes Discrimination Policies on Campus

The University of Pittsburgh yesterday issued a statement expressing its opposition to discrimination in any of the University's organizational or departmental affairs.

EDWARD LITCHFIELD, chancellor of the University, stated that the University of Pittsburgh was "affirming opposition to policies which tend to deprive any individual of a right or privilege solely because of his race, religion or national origin."

Included in this proclamation was the stipulation that discriminatory practices or clauses by any of the University's student organizations would not be permitted.

Campus organizations have been given until Jan. 1, 1965, to eliminate any existing discriminatory clauses or face removal from the Pittsburgh campus.

A provision was made for a limited extension of the 1965 deadline if a group with a discriminatory clause can prove that it is powerless to eliminate its clause by deadline time.

A University official said last night that these extension provisions are necessary to provide time for groups to petition their national organizations for changes.

AT PRESENT, the University of Pittsburgh does not maintain discriminatory policies in employment, student selection or housing.

The request for an official statement on discrimination came from Pitt's School of Medicine and was aimed at the elimination of certain official University meetings held at private clubs which discriminate.

KDR, Tri Delt Win Competition

By TONY FOGGIO

Kappa Delta Rho fraternity and Delta Delta Delta sorority took first places in the annual Greek Week window display contest last night.

In other Greek Week events yesterday Alpha Omicron Pi, Alpha Gamma Delta and Delta Delta Delta sororities and Alpha Zeta, Delta Chi, Sigma Pi and Tau Kappa Epsilon fraternities became finalists in the "open" category of the IFC-Panhel Sing. These groups will compete for top honors at 6:30 p.m. tomorrow in Schwab.

DOROTHY SAMUELS, window display co-chairman, said the first and second runners-up in the fraternity division were Tau Kappa Epsilon and Alpha

Tau Omega, while their sorority counterparts were Gamma Phi Beta and Alpha Xi Delta.

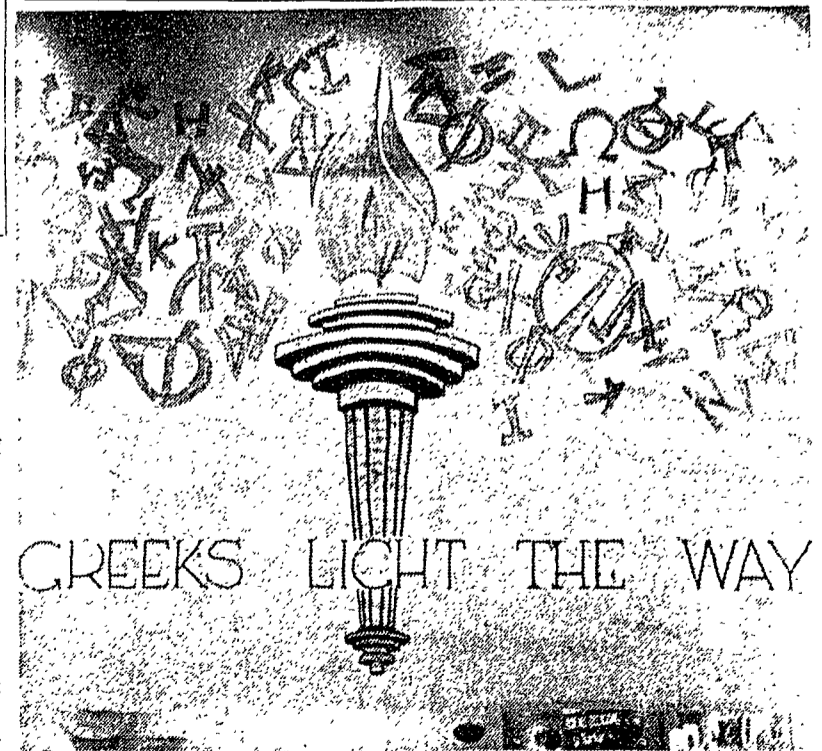

Robert Napier and Robert M. Des Marais, professors of architecture, who judged the contest, used a 100-point system in judging the displays.

The 37 Greek entries could have achieved a maximum of 10 points for originality, 40 for presentation, 20 for aesthetic value and 30 for adherence to theme. None of the winners received the maximum number of points, she said, although the judges did award them points of 90 or above.

In the sing competitions, four fraternities were selected instead of three, as planned, because the judges, Peter Gano and Louis Mitinger, said they had reached a tie among the four finalists.

Alpha Zeta presented a seven-man rock and roll combo which played "I've Got My Eyes on You." Myron Kerstetter of Delta Chi sang "Tonight" from "West Side Story." Sigma Pi's contribution was an accordion solo of "The Jolly Caballero" by Andrew Uroskie and Harold Arberg of Tau Kappa Epsilon sang "Because."

Among the sorority winners were Ellen Aurand of Alpha Gamma Delta, who played "The Cat and the Mouse" on piano; the Alpha Omicron Pi quintet, which dressed in hillbilly style for a folk-song medley including "When the Saints Go Marching In" and "Swing Low, Sweet Chariot." Tri-Delt's octet sang "Blue Indigo" while dressed in janitresses' clothing.
