Assistant Sports Editor Exery New Year is an equal combination of nostalgia and resolutions, and that is es-necially true in 1966 for Penn

State gymnastic coach Gene Wellstone.

1965 was a year of great moments for Wettstone. • His Lion squad captured
Penn State's eighth outright NCAA national title, the most by any school or coach, by the defeating the Huskies of the University of Washington at Carbondale, III), in April.

Lion sophomore Steve Cohen won the all-around crown at the Eastern Regional meet, the fourteenth consecutive that a Wettstone-coached Nittany Lion has taken that title.

Yes, 1965 was a great year year for Gene Wettstone, He ealled that national champion squad his "best team ever at Penn State," and that statement covers a lot of years and a lot of teams.

But Old Father Time stands still for no one, even for the dean of American gymnastic coaches, so the New Year tuds coach Wettstone in the position of having to make some resolutions about this year's team,

The NCAA title meet will be held at Rec Hall this season, April 1-2, and Wettstone would like to be a coach at that

The four areas of the nation, East, Mid-East, Mid-West and Far West, will each be represented by three teams at the meet, but Wettstone believes that the Nittany Lions will have to struggle to nab one of the eastern spots.

In 1966, a team's score for a single event will be the total of the points earned by the top three men of that team. Thus, if three competitors from a team score 9.0, 9.0 and 8.0, respectively, for an event, the team's total for that event is
