in a technique of wet wax cation of the mentally retarded. stained with oil paint washes. The one-man show, open to the public, continues through Saturday. The artist is on leave Educational Resources Inforof absence from the University of New Mexico.

He is a graduate of the Rhode Island School of Design, and earned the master of arts degree from the University of New Mexico. * * *

Robert E. Dunham, assistant to the vice president of resident instruction at the University and associate professor of speech, has been reappointed to a three year term serving the National University Extersion Association.

He is now serving on the Executive Board of the committee on discussion and debate. This is the only committee with its own national office, and it maintains contact with each state in the

Recent paintings by Walter
E. Rutkowski, a doctoral candidate at the University, are on display in the Art Education
Gallery of Chambers Bldg.
The paintings re executed in a technique of special education, will work with educators at Mansfield State College on the possible development of a master's level program for teacher education of the department of special education, will work with educators at Mansfield State College on the possible development of a master's level program for teacher education. While at Mansfield on Jan. 24, he will also speak to the Phi Delta Kappa Club on "The

> mation Center." On Feb. 2, Carriker will present a paper at the Interna-tional Convention of the Association for Children with Learning Difficulties, to be held at Boston, Mass.

> Carroll C. Arnold, professor of speech, is one of five authoreditors of "An Historical Anthology of Select British Speeches," recently published by the Ronald Press Co.

The volume presents historical-critical surveys of British public address from the time of Ethelbert to Sir Winston Churchill. It furnishes introduc tions, annotations, and biblio graphical materials for 48

speeches by 40 speakers.

The work is he first of its kind to be published in Eng-* * * land during this century. I William R. Carriker, profes- was prepared under the gen

Our **Mother's** House

Once in a long while, films such as "A Taste Of Honey", "The Servant", "Darling" and "Blow-Up" create a special kind of excitement.

The reviews make it clear that it has happened again. Judith Crist, on the Today Show praised "Our Mother's House" as "a movie you won't want to miss." Time Magazine termed it "Splendid! A modern gothic tale of innocence and evil." Saturday Review said "A triumph of the director's art!"

If you only see the "must-see" films, you must see "Our Mother's House".
