Collegian Staff Writer

president of the Interfraternity Council have been campaigning actively for the past two weeks. The men vying for this position are Scott Bailey of Kappa Delta Rho Fraternity and Jerry North of Theta Delta Chi Fraternity.

Bailey, current pledge master for his fraternity, views the office of IFC administrative vice president as one which the property of the proper

'entails a willingness and ability to do a good job and per-

Rush Committee, Bailey is stressing a program to boost

this area of fraternity rush. He proposes a "guidance net-work" in which fraternity alumni in the faculty or admin-istration of commonwealth campuses will be contacted to

work as IFC liaisons with the men at the campuses.

Role of Liaisons

The liaisons could assist the transfers in IFC's Tem-

porary Fraternity Assignment program while helping to "dispell myths about the fraternity system," he explained. Bailey also proposes "equality in the selection of committee chairmen and members." He said personal interviews with chairmanship applicants would have to be required. Once selected, he added the chairmen would

WASHINGTON (AP) — Atty. force only in self defense or to to the point where we don't en. Ramsey Clark told the naprotect the lives of others. care whether we live or lie Gen. Ramsey Clark told the nation's editors yesterday that Otherwise, he said, authorities shooting at arsonists and lootwill "alienate the minorities and induce those who are not ers could cause "a very dan-gerous escalation" of rioting and violence in big-city slums. disposed to violence now to disposed to violence now to adopt terrorist and guerrilla tactics."

'Dangerous Escalation'
When Clark finished, an ediimmoral."

Clark made the comment in responding to questions at the opening session of the convention of the American Society of Newspaper Editors, but said he had not studied the orders issued to Chicago police by Mayor Richard J. Daley to shoot to kill arsonists and shoot to maim looters.

In his speech to the 550 editors Clark advocated the rule that police should use deadly

very dangerous escalation of the problem we are so intent on resolving." He called . . . intensified recruiting, training, and strengthening of police departments, and for full public support of police officers because, he de-

Clark Appeals for Restraint

"The policeman is the most important man in the United States today. "He will determine whether

we can maintain social stability and order under law in these next few years while we re-build our cities and ourselves." Either excessive police over-reaction to slum violence or too much police permissiveness can bring about a breakdown of law and order, the attorney

general said. Earlier, the Rev. James E. Groppi, militant civil rights leader and Roman Catholic priest, told the editors:

Warns Daley "The more oppressive a police department becomes, the office department becomes, the office department of registration of the side pockets."
