Andretti Back in 500

INDIANAPOLIS (AP) — Mario Andretti, his face still blistered from a fiery wreck Wednesday, returned to the Indianapolis Motor Speedway yesterday in another car and immediately began running with the fastest drivers. The little Italian-born racer turned laps at more than 169 miles an hour in the Hawk-Ford with which he won the U.S. Auto Club championship race at Hanford, Calif., April 13. "It's hard to tell whether the Hawk has the potential of the Lotus," he said. "The Hawk is lighter and has only two-wheel-drive to the Lotus' four-wheel-drive. "We have a spare Lotus, but it's four days away from being ready to run, and there's no chance to use it," he said. Andretti had been up to 171.789 m.p.h. in the new Lotus-Ford which was demolished Wednesday. The car threw its right rear wheel and skidded against a wall at high speed, then broke into flames. Only 10 drivers have been over 168 m.p.h. in practice for this weekend's time trials to pick 33 starters for the 53rd 500-mile race May 30. A. J. Foyt Jr. of Houston, a three-time winner of the 500, has been fastest at 172.315 in his Coyote-Ford. Wallyallenbach of East Brunswick, N.J., moved into the 168 m.p.h. class yesterday with a lap of 166.687 in an Eagle powered by a turbocharged Offenhauser engine. Joe Leonard of San Jose, Calif., who owns the speedway one-lap record of 171.953 in a Lotus-Pratt & Whitney turbine, did 168.729 yesterday in an Eagle-Ford.

Last Year's Stars Slump-Ridden; Cleveland Drops to AL Cellar

CLEVELAND (AP) — Last year's 21-game winner, Luis Tiant, is in the bullpen; the 1968 American League runs batted in champion, Ken Harrelson, has driven in only five runs since being traded and the Cleveland Indians are baseball's biggest losers of 1969. "Our pitching hasn't been very good and our hitting hasn't been good enough," said General Manager Gabe Paul in explaining the Indians' 8-24 record, worst in the major leagues. "Last year we had the best pitching staff in the league," explains manager Alvin Dark. "This year, our earned run average is around five. I don't have any idea why." The Indians' pitching staff has a combined earned run average of 5.16 and the team's batting average is only .219, last in the league in both categories. Cleveland's pitching led the American League with a team ERA of 2.66 last year and carried the Tribe into third place. Only southpaw Sam McDowell has showed his old form, however, posting an ERA of 2.89 while winning three of seven games this season. Tiant is in the bullpen after losing seven straight decisions and has an ERA of 7.51.

Cards Top SF On Big Inning; Boston Wins

SAN FRANCISCO (AP) — Lou Brock's lead-off homer in the 11th inning touched off a six-run uprising as the St. Louis Cardinals whipped the error-plagued San Francisco Giants 8-3 yesterday. Brock's opposite field shot, his third home run of the season, made a loser of Joe Gibbon, 1-2, the Giants' third pitcher. BOSTON (AP) — Reggie Smith's single with two out in the ninth inning enabled Boston to beat California 4-3 yesterday, sending the Angels to their seventh consecutive setback. Dick Schofield, a pinch hitter, opened the frame by drawing a walk from Hoyt Wilhelm, the Angels' reliever. Mike Andrews sacrificed pinch-runner Syd O'Brien to second. O'Brien took third on Dalton Jones' ground-out. After Carl Yastrzemski was purposely passed, Smith grounded a single, scoring O'Brien with the running run.
